## Announcements

### Prepared statements

Speakers at the Assembly of States Parties are advised that providing in advance copies of prepared statements which they intend to read out in the Assembly greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, reporters and press officers in maintaining the quality of the product delivered. Although interpretations rely upon the statement actually delivered, copies of texts help interpreters to correctly render details and nuances. Speakers are therefore

encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Conference Room 2 (NLB).

Delegations are kindly requested to make 20 copies for minimum distribution to the podium and relevant services, and 250 additional copies for general distribution in the Conference Room 2 (NLB).

Delegations are also invited to send by e-mail an electronic copy of their statement(s), in one or more of the six official languages, to ensure timely posting of the text on the Assembly web site and as a step to reducing paper usage. Statements should be sent to: [asp@icc-cpi.int](mailto:asp@icc-cpi.int).

### **Request for Side events**

As the ASP Secretariat (SASP) does not allocate rooms at UNHQ, with the exception of conference room 2 (where the ASP meetings are held) and conference room A, delegations interested in organizing side events would have to request a conference room directly from the UN via their UN Missions. Their request should be directly addressed to DGACM/MMS. MMS will then dispatch the pre-booking to requestors via eMeets (<http://icms.un.org>).

Requestors click on the link provided and edit the title, contacts and participants. While editing the room setups, requestors should indicate their requirement for podium signs and services, which may be necessary (sound engineer, power-point presentation, interpretation, etc.).

Once a pre-booking in eMeets has been made, all requests should go through Mr. Christopher Walter ([walterc@un.org](mailto:walterc@un.org)) for technical support, set-up and costing.

The UN has indicated that interpretation services would only be provided from 10 to 1 p.m. and from 3 p.m. to 6 p.m. However, organizers have the option to bring interpreters for their side-events but have to inform MMS accordingly.

For any eMeets assistance, please call the main lines for MMS: (212) 963-8114/963-7351. Please kindly note that the Secretariat does not send invitations to side events. The invitations should be sent by the organizers for their respective side event.

Once the conference room is reserved, please let the Secretariat know the title of the event, names of the organizers, time and venue to be included in the ASP Journal. Please send an email to [esterluteran@gmail.com](mailto:esterluteran@gmail.com), copy [carole.joannes@hotmail.com](mailto:carole.joannes@hotmail.com). Modifications to the ASP Journal will be reflected in the following version.
