2 you.

3 PRESIDING JUDGE MINDUA: [9:52:48](Interpretation) Thank you very much,  
4 Mr Witness. On behalf of the Chamber, I would like to welcome you.

5 THE WITNESS: [9:52:57](Interpretation) Thank you.

6 PRESIDING JUDGE MINDUA: [9:53:00](Interpretation) You are going to testify in  
7 order to help to determine the truth in the case of Mr Al Hassan.

8 THE WITNESS: [9:53:11](Interpretation) Very well.

9 PRESIDING JUDGE MINDUA: [9:53:14](Interpretation) Mr Witness, protection  
10 measures have been taken so that your identity should not be revealed to the public.

11 THE WITNESS: [9:53:25](Interpretation) Thank you.

12 PRESIDING JUDGE MINDUA: [9:53:28](Interpretation) Each time that you may  
13 give identifiable details, we will discuss that in private session.

14 THE WITNESS: [9:53:37](Interpretation) Very well.

15 PRESIDING JUDGE MINDUA: [9:53:40](Interpretation) That way, no one except  
16 those who are in this courtroom will be able to hear you.

17 THE WITNESS: [9:53:50](Interpretation) Very well.

18 PRESIDING JUDGE MINDUA: [9:53:53](Interpretation) Mr Witness, now I will go  
19 on to the solemn declaration subject to Article 66(1) on the Rules of Procedure and

2 PRESIDING JUDGE MINDUA: [9:54:55](Interpretation) Thank you very much,  
3 Mr Witness.

4 THE WITNESS: [9:54:56](Interpretation) Thank you.

5 PRESIDING JUDGE MINDUA: [9:54:58](Interpretation) You are now under oath.  
6 The VWU representatives as well as the Defence representatives have already  
7 explained to you what that implies and so I will not come back to it.

8 THE WITNESS: [9:55:21](Interpretation) Thank you.

9 PRESIDING JUDGE MINDUA: [9:55:22](Interpretation) I have a few practical pieces  
10 of information for you. Throughout your testimony, you should bear in mind that  
11 everything that is said in this courtroom is transcribed by the court reporters and  
12 simultaneously interpreted into several languages by the interpreters. It is therefore  
13 important to speak clearly and slowly. You should only begin speaking when the  
14 person questioning you has completed putting the question to you.

15 You will, first of all, be questioned by the Defence in the direct examination. And  
16 then it will be the turn of the Office of the Prosecutor for the cross-examination. And  
17 obviously, there will also be questions from the Legal Representatives of Victims, and  
18 there maybe questions from the Chamber also, one never knows.

19 Now, without further ado, I will hand you over to the Defence for the commencement  
20 of the direct examination.

21 THE WITNESS: [9:57:08](Interpretation) Thank you.

22 PRESIDING JUDGE MINDUA: [9:57:10](Interpretation) Thank you very much,  
23 Mr Witness.

24 Ms Taylor, you have the floor.

25 MS TAYLOR: [9:57:17] Thank you very much, Mr President.

ICC-01/12-01/18

1 QUESTIONED BY MS TAYLOR:

2 Q. [9:57:20] Good morning, Mr Witness. How are you today?

3 A. [9:57:28] Good morning, Madam. I'm doing fine.

4 Q. [9:57:32] My name is Melinda Taylor. We met briefly this morning and I'll be  
5 putting questions to you.

6 A. [9:57:42] Very well.

7 Q. [9:57:45] As explained this morning, if I put up my hand, that is not a sign of  
8 disrespect. It's just to ask you to pause for the interpreters.

9 A. [9:57:58] Very well, I've understood that.

10 MS TAYLOR: [9:58:02] Mr President, if we may go into private session, briefly.

11 PRESIDING JUDGE MINDUA: [9:58:10](Interpretation) Yes, indeed, Ms Taylor.

12 Court officer, private session, please.

13 (Private session at 9.58 a.m.)

14 THE COURT OFFICER: [9:58:22] We are in private session, Mr President.

15 PRESIDING JUDGE MINDUA: [9:58:27](Interpretation) Thank you very much,  
16 court officer.

17 Ms Taylor, please.

18 MS TAYLOR: [9:58:32]

19 Q. [9:58:33] Mr Witness, we are now in private session, which means that the  
20 public can't hear. Can you tell us your name, your full name.

21 A. [9:58:44] My name is [REDACTED]

22 Q. [9:58:54] And is it correct that your date of birth is [REDACTED]

23 A. [9:59:03] Yes, in Timbuktu.

24 Q. [9:59:08] Now, according to your statement your ethnicity is Tamasheq. Can  
25 you tell us what tribes you belong to?

1 A. [9:59:21]

2

3 THE INTERPRETER: [9:59:43] Those names were not very clear to the interpreters.

4 THE WITNESS: [9:59:46](Interpretation) I belong to many ethnic groups.

5 MS TAYLOR: [9:59:51]

6 Q. [9:59:51] Just to be clear, of the tribes you named, were any of them the

7 Kel Ansar tribe or not?

8 A. [10:00:01] No, there's no Kel Ansar -- no. I'm not from that tribe. Not

9 Kel Ansar.

10 Q. [10:00:13] Thank you.

11 MS TAYLOR: [10:00:15] If we could go back into open session.

12 PRESIDING JUDGE MINDUA: [10:00:22](Interpretation) Very well.

13 Court officer, open session, please.

14 (Open session at 10.00 a.m.)

15 THE COURT OFFICER: [10:00:35] We are back in open session, Mr President.

16 PRESIDING JUDGE MINDUA: [10:00:41](Interpretation) Thank you very much,

17 court officer.

18 Ms Taylor.

19 MS TAYLOR: [10:00:44]

20 Q. [10:00:45] Now if we could bring up on to the screen, and not show to the public,

21 Defence tab 5. It's MLI-D28-0006-4212. And, Mr Witness, you should have a binder

22 of documents and this is the fifth document in that binder.

23 Now, Mr Witness, can you see a signature on this document?

24 A. [10:01:20] Yes, it is my signature. It is my signature.

25 Q. [10:01:25] Mr Witness, could you look at the bottom of each page and confirm to

- 1 us whether you recognise your signature.
- 2 A. [10:01:56] It is my signature. It is my signature.
- 3 Q. [10:02:14] Mr Witness, just to be clear, did you see your signature on each page?
- 4 A. [10:02:23] Yes.
- 5 Q. [10:02:26] Now, Mr Witness, do you recall speaking to the Defence a couple of  
6 weeks ago for what we call a preparation session?
- 7 A. [10:02:39] Yes.
- 8 Q. [10:02:41] And do you recall that this statement was read out to you in  
9 Tamasheq?
- 10 A. [10:02:51] Yes.
- 11 Q. [10:02:54] And did you confirm that the contents of this statement were correct  
12 during this session?
- 13 A. [10:03:08] Yes, indeed.
- 14 Q. [10:03:11] Now, Mr Witness, has anyone ever asked you to give evidence to this  
15 Court that was not true?
- 16 A. [10:03:28] No.
- 17 Q. [10:03:31] Has anyone promised you anything in exchange for signing this  
18 statement or testifying today?
- 19 A. [10:03:45] No.
- 20 Q. [10:03:48] Did any --
- 21 MR DUTERTRE: [10:03:51](Interpretation) Mr President?
- 22 PRESIDING JUDGE MINDUA: [10:03:52](No interpretation)
- 23 MR DUTERTRE: [10:03:55](Interpretation) The witness is far from the microphone  
24 and we can barely hear his answers. And if he come closer to the microphone, we  
25 can hear him better.

- 1 THE INTERPRETER: [10:04:12] And the interpreters would like to confirm that.
- 2 PRESIDING JUDGE MINDUA: [10:04:15](Interpretation) Yes, indeed, Mr Witness,  
3 please speak closer to the microphone.
- 4 THE WITNESS: [10:04:23](Interpretation) Yes, very well.
- 5 MS TAYLOR: [10:04:25]
- 6 Q. [10:04:26] Now, Mr Witness, did anyone pressure you or force you to sign this  
7 statement?
- 8 A. [10:04:36] No.
- 9 Q. [10:04:39] Now, before you signed the statement, did you discuss the content of  
10 your evidence with anyone outside of the Defence?
- 11 A. [10:04:59] No. No. No. No one.
- 12 Q. [10:05:04] Do you agree for the statement to be submitted into evidence?
- 13 A. [10:05:13] Yes.
- 14 Q. [10:05:16] Mr Witness, I have a few follow-up questions, but I'm going to keep  
15 this as brief as possible. And we are in open session, so I'm going to show you  
16 various images and I will just ask you not to give information that may identify  
17 yourself. The first document I would like to be shown is tab 1. It's is  
18 MLI-D28-0005-7853. If that can be shown on evidence 1 -- on evidence 2.  
19 Mr Witness, can you see these images in front of you? You should also have a  
20 document.
- 21 PRESIDING JUDGE MINDUA: [10:06:20](Interpretation) Madam Court Officer, the  
22 witness has disappeared.  
23 The technicians are working on it, so we will wait for a few moments.  
24 (Pause in proceedings)
- 25 PRESIDING JUDGE MINDUA: [10:07:03](Interpretation) The witness is back on.

1 Ms Taylor.

2 MS TAYLOR: [10:07:06] Thank you, Mr President.

3 Q. [10:07:09] Mr Witness, can you see the images at the top of the document?

4 A. [10:07:16] Yes.

5 Q. [10:07:17] And do you recognise this location?

6 A. [10:07:23] Yes.

7 Q. [10:07:25] Can you tell us what it is?

8 A. [10:07:29] It is a private pharmacy.

9 Q. [10:07:38] And what is the name of this private pharmacy?

10 A. [10:07:45] The Tinariwen pharmacy.

11 Q. [10:07:51] Now, Mr Witness, in your statement at paragraph 33, on page 4218,  
12 you stated that: "Pharmacy Tinariwen of Bellaferandi was only opened after the  
13 departure of the Islamists."

14 Is this the same pharmacy?

15 A. [10:08:11] The Tinariwen pharmacy, yes.

16 MS TAYLOR: [10:08:19] Mr President, if I could show another document in private  
17 session?

18 PRESIDING JUDGE MINDUA: [10:08:26](Interpretation) Absolutely.

19 Court officer, private session, please.

20 (Private session at 10.08 a.m.)

21 THE COURT OFFICER: [10:08:38] We are in private session, Mr President.

22 MS TAYLOR: [10:08:46]

23 Q. [10:08:46] If we could show tab 4, that's MLI-D28-0006-2873, on evidence 2.

24 And, Mr Witness, this is tab 4.

25 MR DUTERTRE: [10:09:07](Interpretation) Mr President?

Trial Hearing

(Private Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 PRESIDING JUDGE MINDUA: [10:09:10](Interpretation) The Prosecutor.

2 MR DUTERTRE: [10:09:14](Interpretation) I am objecting but maybe the witness  
3 should be disconnected from the sound.

4 PRESIDING JUDGE MINDUA: [10:09:23](Interpretation) Court officer, please  
5 disconnect the sound from the witness.

6 THE COURT OFFICER: [10:09:57] The sound to the witness has been disconnected,  
7 your Honour.

8 PRESIDING JUDGE MINDUA: [10:10:01](Interpretation) Thank you very much,  
9 court officer.

10 Mr Prosecutor. Please wait.

11 MR DUTERTRE: [10:10:16](Interpretation) I just wanted to be sure that we are in  
12 private session.

13 Mr President, your Honours, this is the Facebook account of  It is not  
14 the Facebook page of the witness. So there is no link between the witness and the  
15 document on this page. On page 2, it can be verified that indeed the witness did not  
16 comment and was not part of the conversation on that Facebook page, so there is no  
17 foundation at all to show this document to the witness because it has no link with him.  
18 It was simply shown to him in the preparation session, but there is no link with the  
19 witness. You might as well take anyone in the street in Timbuktu and he will make  
20 a comment, so there is no added value. So I'm objecting because there is no link  
21 between the document and the witness.

22 PRESIDING JUDGE MINDUA: [10:11:30](Interpretation) Yes, Mr Prosecutor, but  
23 the Defence had simply asked for the document to be displayed on the screen. There  
24 is no question yet. So why can you start disputing the foundation?

25 MR DUTERTRE: [10:11:51](Interpretation) The Defence did not ask any preliminary

Trial Hearing

(Private Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 questions prior to asking for the display of this document. That is the first thing.

2 And the second thing, is that on the cover page of the document, one can see that

3 there is no link with the witness. The document deals with various issues related to

4 [REDACTED] And if the Defence wants to use this document, they can, of

5 course, [REDACTED] to come and testify, which is not the case, or they can

6 use the bar table. But there is no link with this document and the witness.

7 PRESIDING JUDGE MINDUA: [10:12:43](Interpretation) Very well.

8 Ms Taylor.

9 MS TAYLOR: [10:12:46] Thank you, Mr President.

10 As you noted, I hadn't even put a question yet. Now, as Facebook works, people are

11 friends with other people on Facebook and are therefore capable, or maybe not

12 capable, of recognising someone's Facebook handle, and whether this is indeed the

13 Facebook account [REDACTED]

14 This witness, in his statement, said [REDACTED]

15 in 2012. He knows this individual. His statement also discusses the [REDACTED]

16 [REDACTED] I do believe that it's appropriate, given that we have a witness on

17 the stand who could potentially identify whether this is [REDACTED] account or not, to

18 give him the opportunity to do so. Now, this has been a persistent theme through

19 the Prosecution responses to bar table motions that they have implied that there is

20 a duty on the Defence to put items to witnesses who can potentially comment on the

21 items. That is what we are attempting to do right now to be responsive to their

22 persistent complaint.

23 Mr President, if they concede that this is [REDACTED] Facebook account, then we can

24 perhaps proceed. But if there is any dispute, then we should be entitled to ascertain

25 this.

Trial Hearing

(Private Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 PRESIDING JUDGE MINDUA: [10:14:16](Interpretation) Mr Prosecutor, I think we  
2 should save time. The Defence's explanation is quite valid. It is true that we cannot  
3 see the name of the witness in the document, but let us give the opportunity to the  
4 witness.

5 MR DUTERTRE: [10:14:36](Interpretation) We cannot even see the photograph of  
6 this [REDACTED] on the profile picture. So apart from the name, what  
7 is going to enable the witness to determine whether it is that account or not? And  
8 since he does not participate in the conversation, he cannot comment. So the  
9 probative value is almost zero. So what is the relevance in relation to the charges?  
10 So I do not see any added value, given that there is no photograph of [REDACTED]

11 [REDACTED] and I cannot see the relation with the merits of the charges. It can be  
12 commented by someone else, but not by this witness and in testimonial evidence.

13 MS TAYLOR: [10:15:51] Mr President, if I may briefly respond?

14 PRESIDING JUDGE MINDUA: [10:15:53] Yes, okay, for the last time.

15 MS TAYLOR: [10:15:55] Thank you, Mr President. Again, I'm not sure if the  
16 Prosecutor knows how Facebook works. I could have an account profile with  
17 a pineapple. People who follow me might know that that's my account. It doesn't  
18 have to be a photo of me for people to be able to recognise my Facebook profile.  
19 That is the question that I can put to this witness: Does he recognise or not this  
20 Facebook profile?

21 PRESIDING JUDGE MINDUA: [10:16:20](Interpretation) Well, the Chamber is  
22 going to deliberate on this very quickly.

23 (Trial Chamber confer)

24 PRESIDING JUDGE MINDUA: [10:16:56](Interpretation) The Chamber has  
25 deliberated on this. It's true that social networks -- personally, I'm not a specialist in

WITNESS: MLI-D28-P-0093

1 it, so I would imagine that is the case for a lot of us. So we are going to give the  
2 opportunity for the Defence to put one question so we can see if there a possible  
3 foundation or basis, or not.

4 So we are going to re-establish the sound, court officer, and then Ms Taylor will put  
5 the question, she'll put her question to see if there's a basis.

6 MS TAYLOR: [10:17:35] Thank you, Mr President. Is the sound established?

7 PRESIDING JUDGE MINDUA: [10:17:38](Interpretation) No, not yet. Please wait.

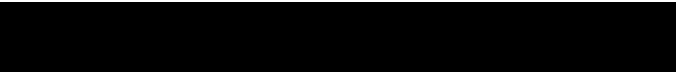

8 THE COURT OFFICER: [10:18:08] The sound to the witness has been re-established,  
9 Mr President.

10 PRESIDING JUDGE MINDUA: [10:18:11](Interpretation) Thank you very much,  
11 court officer.

12 Ms Taylor.

13 MS TAYLOR: [10:18:15] Thank you, Mr President.

14 Q. [10:18:16] Now, Mr Witness, you have a document on the screen and also in  
15 front of you. And I think in the top left-hand corner, you can see a name and  
16 a photo. Mr Witness, are you able to tell us whose Facebook account this is?

17 A. [10:18:36] Yes, I know him. 

18 Q. [10:18:46] And just to be clear, Mr Witness, what is his name?

19 A. [10:18:54] It is 

20 Q. [10:18:58] Mr Witness, do you use Facebook?

21 A. [10:19:05] Yes, of course, I do, yes.

22 Q. [10:19:08] And are you familiar with  acebook account or profile?

23 A. [10:19:19] Yes.

24 MS TAYLOR: [10:19:23] I trust that satisfies the Prosecution.

25 PRESIDING JUDGE MINDUA: [10:19:41](Interpretation) Ms Taylor, the Chamber is

1 of the opinion that the witness cannot really give the testimony that's necessary on  
2 this subject. Perhaps this has to be dropped.

3 MS TAYLOR: [10:20:00]

4 Q. [10:20:00] Mr Witness, did you interact with ██████████ in 2012?

5 A. [10:20:11] Yes.

6 Q. [10:20:13] And either during 2012 or afterwards, did ██████████ ever tell you that  
7 ██████████ women who had been raped by Islamists?

8 A. [10:20:30] No. No.

9 MS TAYLOR: [10:20:34] I believe my next subject can be in open session.

10 PRESIDING JUDGE MINDUA: [10:20:46](Interpretation) Indeed. Court officer,  
11 please take us into open session.

12 (Open session at 10.21 a.m.)

13 THE COURT OFFICER: [10:21:07] We are back in open session, Mr President.

14 PRESIDING JUDGE MINDUA: [10:21:09](Interpretation) Thank you very much.  
15 Ms Taylor.

16 MS TAYLOR: [10:21:11]

17 Q. [10:21:11] Now, Mr Witness, we are going to show you an extract from a video.

18 The extract should not be shown to the public. And I'm going to remind you that we  
19 are in public, so not to give information that should identify you. It's tab 3,

20 MLI-D28-0006-3315. It's an extract from a video from June 2012 and the extract is at  
21 13:10 minute mark.

22 Mr Witness, bearing in mind we are in open session, do you recognise the location?

23 A. [10:21:49] Yes, it is the regional hospital of Timbuktu.

24 Q. [10:21:59] And is this how it looked in 2012?

25 A. [10:22:06] Yes.

1 THE INTERPRETER: And the interpreter added that it was the emergency door of  
2 the hospital, for urgent cases.

3 MS TAYLOR: [10:22:15]

4 Q. [10:22:15] Mr Witness, can you see a sign in this photo?

5 A. [10:22:23] A red sign. A white sign, where there's the hospital, "the regional  
6 hospital of Timbuktu", and there's red inside it. And that means it is banned -- you  
7 are banned from bringing weapons into the hospital.

8 Q. [10:22:44] And was this sign put up in 2012 or before 2012?

9 A. [10:23:01] Before 2012.

10 Q. [10:23:03] And was this sign respected in 2012?

11 A. [10:23:18] In 2012, there was a time that the Islamists did go in with weapons,  
12 but after that, there was an agreement when they got them not to enter with their  
13 weapons. And after that, they no longer entered the hospital with their weapons.

14 Q. [10:23:36] We are going to a different screenshot. It's 56:19. Do you recognise  
15 this individual?

16 A. [10:23:59] I -- yes, I do know him. He has passed.

17 Q. [10:24:06] Can you please tell us his name?

18 A. [10:24:13] Seydou Bassaloum is his name. He works in the regional hospital of  
19 Timbuktu.

20 Q. [10:24:21] And can you tell us what his role was in 2012?

21 A. [10:24:31] In 2012, he worked for the hospital. Where there was a problem  
22 between the officers and the Islamists -- when there was a problem between the  
23 Islamists and others, then they would call him in order to find a solution, between the  
24 Islamists and the health officials.

25 Q. [10:24:56] And, Mr Witness, do you know an individual called Kader Khalil?

ICC-01/12-01/18

1 A. [10:25:06] Kader Khalil? Peace be to his soul -- may his soul rest in peace, yes.

2 He's also deceased.

3 Q. [10:25:17] Can you tell us what his position was before 2012?

4 A. [10:25:25] He was the director of Radio Bouctou.

5 Q. [10:25:36] Was he present in Timbuktu when the Islamists were present?

6 A. [10:25:46] Of course, he was present.

7 Q. [10:25:48] And when the Islamists were present, did Radio Bouctou continue to  
8 broadcast or not?

9 A. [10:25:57] Yes, they continued to broadcast, of course.

10 Q. [10:26:03] And what type of information did they broadcast?

11 A. [10:26:12] Almost all information, all type of information. People would go to  
12 Radio Bouctou, they would listen to it during the crisis. The Radio Bouctou was  
13 there to calm the population that stayed. It was very much listened to during the  
14 crisis in Timbuktu.

15 Q. [10:26:37] And was there any difference between the broadcasts that Radio  
16 Bouctou sent out before 2012 as compared to the broadcasts they sent out in 2012?

17 A. [10:26:57] Like before the crisis, they played music. And during the crisis, the  
18 Islamists told them to stop playing music. And you would have communiqués and  
19 you would also have parts where they would play the Koran; that would be it.

20 Q. [10:27:16] Now, you have mentioned two differences. Apart from those two  
21 differences, was there anything else or not?

22 A. [10:27:28] What do you mean by that? I haven't understood the question well.

23 Q. [10:27:32] I apologise, Mr Witness. You are right to correct me.

24 Mr Witness, you told us that in 2012 there was no music and that also there would be  
25 communiqués -- sorry, there would be extracts of the Koran and you mentioned other

(Open Session)

1 broadcasts. Where the other broadcasts the same or different from before 2012?

2 A. [10:28:04] No, they weren't similar.

3 Q. [10:28:08] Mr Witness, can you explain what you mean.

4 A. [10:28:17] What I mean by that is, before the crisis, they played all different  
5 types of music on Radio Bouctou. They would have debates. But during the crisis,  
6 there was no music. There was only the Koran or there were communiqués or there  
7 would be -- there would be parts where they would encourage the population to  
8 remain. Or there would be other parts as well, perhaps comedy parts to get the  
9 population to smile or to laugh.

10 Q. [10:28:56] And did Kader Khalil himself continue to give broadcasts during  
11 2012?

12 A. [10:29:09] During 2012, he did make broadcasts, but there was a problem  
13 between him and the Islamists at a particular time. So he left Timbuktu in order to  
14 go to Bamako.

15 Q. [10:29:23] And did there continue to be news before that?

16 A. [10:29:35] Before the crisis, do you mean?

17 Q. [10:29:38] No, I apologise. Before that point?

18 A. [10:29:45] Before the crisis, of course they had broadcasts.

19 Q. [10:29:51] I apologise, Mr Witness, again. You mentioned the point of Kader  
20 Khalil leaving. Before he left, was there news that was broadcast?

21 A. [10:30:09] During the crisis, the Islamists were in power. When you are in  
22 power, there are certain things that you don't agree with. They spoke a lot about the  
23 Islamists, and they said that they refused the population doing this and that. The  
24 Islamists didn't like that. And in the end, there was an Islamist who took over on an  
25 interim basis. And so the children and relatives told him to leave Timbuktu in order

1 to go to Bamako and that is the reason why he left the radio station.

2 Q. [10:30:54] Thank you, Mr Witness. I have no further questions. Thank you for  
3 your evidence.

4 PRESIDING JUDGE MINDUA: [10:31:08](Interpretation) Thank you very much,  
5 Ms Taylor, for your examination-in-chief.

6 So I now turn towards the Office of the Prosecutor.

7 Prosecutor, what would you say?

8 MR DUTERTRE: [10:31:22](Interpretation) I would say that once the Defence has  
9 finished its formalities, then we can start and I will prepare my bench.

10 PRESIDING JUDGE MINDUA: [10:31:37](Interpretation) Very good, Prosecutor.

11 So Ms Taylor, we have a part in the form of a witness statement and you asked  
12 additional questions, so you have done a mixed process. That's what the Prosecutor  
13 wants to speak about. So you asked the ritual questions to the witness.

14 MS TAYLOR: [10:31:58] Mr President, I believe I did so at the beginning. I asked  
15 the witness if he agreed for his statement to be admitted into evidence. That's been  
16 done. Perhaps the Prosecutor was distracted.

17 MR DUTERTRE: [10:32:11](Interpretation) I wasn't at all distracted.

18 PRESIDING JUDGE MINDUA: [10:32:14](Interpretation) Very well. It's accepted.  
19 Prosecutor, the formalities have been met.

20 Ms Taylor has put the question as to whether the witness keeps to his statement,  
21 whether it's correct, and the witness is available to you for the cross-examination.

22 MR DUTERTRE: [10:32:37](Interpretation) Thank you, your Honour. But with  
23 regards to the formalities, I was thinking, without reopening the debate, that on  
24 Facebook, it -- he cannot testify to the accuracy of the testimony.

25 PRESIDING JUDGE MINDUA: [10:32:52](Interpretation) It's not at the end that

2 MR DUTERTRE: [10:33:05](Interpretation) Well, that's possible, but I'm already on  
3 record in this regard. But she'll be able to prepare that herself.

4 PRESIDING JUDGE MINDUA: [10:33:11](Interpretation) Please go ahead.

5 MR DUTERTRE: [10:33:56](Interpretation) Your Honour, could I spend a few  
6 moments in private session such that the witness will not be identified?

7 PRESIDING JUDGE MINDUA: [10:34:08](Interpretation) Indeed.

8 Court officer, please take us into private session.

10 THE COURT OFFICER: [10:34:25] We are in private session, Mr President.

14 QUESTIONED BY MR DUTERTRE: (Interpretation)

15 Q. [10:34:40] Witness, good morning once again. My name is Gilles Dutertre.

16 We have already seen each other this morning.

17 A. [10:34:46] Good morning. Thank you.

18 Q. [10:34:48] Thank you. Witness, I'm going to ask for certain clarifications in  
19 private session because it's about your identity. First of all, you are not a notable in  
20 Timbuktu, are you?

21 A. [10:35:06] A notable or dignitary.

22 Q. [10:35:09] You know what a notable is, a prominent person or dignitary?

23 A. [10:35:17] I am a prominent person in Timbuktu. I'm from Timbuktu. I'm  
24 responsible 

25 Q. [10:35:33] I understand. But at the time in 2012, you were not a notable or

4 THE INTERPRETER: [10:35:57] Could the Prosecutor leave a pause between

6 MR DUTERTRE: [10:36:02](Interpretation)

7 Q. [10:36:02] Your family is from which village?

8 A. [10:36:09] Myself, I'm from Timbuktu. And I grew up in Timbuktu. I was  
 9 born in Timbuktu as well.

10 Q. [10:36:21] And your family in general, are they from Timbuktu or are they from  
 11 a village around Timbuktu?

12 A. [10:36:27] My family is also from Timbuktu.

13 THE INTERPRETER: [10:36:30] Could the witness also leave a pause before

2 A. [10:37:19] Yes, it was French.

3 PRESIDING JUDGE MINDUA: [10:37:23](Interpretation) Prosecutor, as you are  
 4 both speaking the same language, you have a tendency to go too quickly. The  
 5 interpreters and those who speak English are having difficulty in following you, so  
 6 please slow down.

7 THE INTERPRETER: [10:37:42] And the interpreter adds to leave a pause, please.

5 A. [10:39:32] Yes. But some were in English as well. Others are in Arabic.

6 Q. [10:39:42] And most of the medicines -- the signs, what are they written in?

7 A. [10:39:50] French. French.

8 Q. [10:39:53] Just a point that I wanted to go over at a personal level. Do you have  
9 any issues with regard to your eyesight? Do you need any type of aid?

10 A. [10:40:06] Well, I've got my glasses here, if there is a problem, but normally my  
11 vision is fine.

12 Q. [10:40:12] Very well. And are these glasses to read or are they to see far away?

13 A. [10:40:20] Well, I don't see the pictures on the computer very well sometimes.

15 A. [10:40:29] Yes.

ICC-01/12-01/18

1 MR DUTERTRE: [10:41:16](Interpretation) Thank you, your Honour.

2 Q. [10:41:21] Witness, in your statement, 0006-4212, and namely paragraph 8  
 3 thereof, you state: "The day on which the MNLA entered Timbuktu, I left [REDACTED]  
 4 and I went to Timbuktu."

5 I need your help for a certain number of clarifications in this regard. Witness, could  
 6 you tell us in which year you started to work in [REDACTED]

7 A. [10:42:10] In 2006.

8 Q. [10:42:20] And please excuse me, it wasn't clear reading your statement, when  
 9 you were in [REDACTED] as your family living in Timbuktu or was it living in  
 10 [REDACTED]

11 A. [10:42:35] My family was living in Timbuktu.

12 Q. [10:42:40] So in which neighbourhood were they living in?

13 A. [10:42:49] [REDACTED] eighbourhood.

14 Q. [10:43:01] Between [REDACTED] and Timbuktu, it's about [REDACTED] kilometres, is it not?

15 A. [10:43:07] Yes.

16 Q. [10:43:16] And how did you go from [REDACTED] to Timbuktu in 2012 when the  
 17 MNLA entered Timbuktu?

18 A. [10:43:27] Prosecutor, to tell you the truth, in 2012, I was in [REDACTED] hich is  
 19 [REDACTED] I came to [REDACTED] having -- for a [REDACTED]  
 20 [REDACTED] nd it was the same day, 4 April, that the MNLA entered Timbuktu.

21 And it was the same day that I had my family in Timbuktu, my wife, my children, my  
 22 brothers and sisters, my motorbike, I took my motorbike and I came to Timbuktu the  
 23 same day.

24 Q. [10:44:14] Thank you for this clarification. So you arrived in Timbuktu, the  
 25 MNLA was still there -- were the MNLA still there or had they already left at this

1 time?

2 A. [10:44:31] No, the MNLA were already there.

3 Q. [10:44:35] So when you arrived, they were still there?

4 A. [10:44:40] There.

5 Q. [10:44:48] So you saw Ansar Dine and AQIM enter Timbuktu, did you not?

6 A. [10:44:56] Yes.

7 Q. [10:44:59] And they were well armed, were they not?

8 A. [10:45:09] That's sure and certain.

9 Q. [10:45:19] So you went to [REDACTED] neighbourhood and you set yourself  
10 up there with your family, did you not?

11 A. [10:45:27] Yes.

12 Q. [10:45:40] And you stayed during that entire period in Timbuktu right up to  
13 January 2013, when the Malian army returned to Timbuktu?

14 A. [10:45:55] [REDACTED]

15 Q. [10:46:06] And how much time after your arrival in Timbuktu, in 2012, because  
16 you came back on a motorbike, how long after that did you start working at the

17 [REDACTED]

18 A. [10:46:22] I started work at the [REDACTED] from the very first day I returned  
19 because everyone had fled.

20 Q. [10:46:42] Why did everyone flee?

21 A. [10:46:44] They were afraid, of course.

22 Q. [10:46:52] When you say "everyone," who are you referring to precisely?

23 A. [10:46:59] For example, [REDACTED]

24 Q. [10:47:10] And they were afraid of the arrival of Ansar Dine and AQIM,  
25 Mr Witness?

1 A. [10:47:20] Yes, the MNLA also.

2 Q. [10:47:32] So there were vacancies and you started working at the [REDACTED]

3 Was it [REDACTED] who recruited you?

4 A. [10:47:46] No. Initially I went there to work as a volunteer. I did not want to  
5 remain at home. So [REDACTED], I wanted to help my community. That  
6 is why I went to work there.

7 Q. [10:48:10] And your contract with [REDACTED] how long was it after you returned to  
8 Timbuktu?

9 A. [10:48:23] It was in June that I signed that contract with [REDACTED]

10 Q. [10:48:29] So at the beginning, you were a volunteer and then after that, you  
11 were a contract worker?

12 A. [10:48:40] Yes, I passed [REDACTED] after which I was recruited.

13 Q. [10:48:50] So if I understand you well, you were working there -- you were not  
14 necessarily there every day in the [REDACTED]. Some days you rested.

15 A. [10:49:12] At one point, I was in charge of the [REDACTED] so I was there on  
16 a permanent basis.

17 Q. [10:49:27] As from when did you start working in the [REDACTED]  
18 Mr Witness?

19 A. [10:49:36] I passed the exam with the [REDACTED] in June and I was recruited then as  
20 the top candidate.

21 Q. [10:49:57] And as from that moment, you worked only in the [REDACTED]  
22 [REDACTED]

23 A. [10:50:05] Yes, I was in the [REDACTED]

24 Q. [10:50:16] So from April to June, you agree that you were not there all the time  
25 at the [REDACTED]. There were days when you rested.

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 MS TAYLOR: [10:52:41] Mr President, this line of questioning is identifying. I  
2 don't believe it's an appropriate course of action to simply redact afterwards. It  
3 defeats the purpose of having private versus public sessions. I'm aware that the  
4 Prosecution is trying to comply with the Chamber's ruling, but this line of questions  
5 continues to have a topic that in and of itself would require a private session. So  
6 unless the Prosecution intends to move to a topic that doesn't require redactions, then  
7 the topics that do require redactions should be in private session. Because  
8 redactions won't cure the fact that there is transmission to the audience in the gallery.

9 PRESIDING JUDGE MINDUA: [10:53:28](Interpretation) Ms Taylor, when he asked  
10 whether there were a lot of activities in the hospital, is that identifying? I do not  
11 think so.

12 Mr Prosecutor.

13 MR DUTERTRE: [10:53:41](Interpretation) I am just trying to allude to those things,  
14 Mr President. We can redact afterwards, but I'm trying to be careful. But there are  
15 words that may be mentioned, but we are trying to be cautious.

16 PRESIDING JUDGE MINDUA: [10:54:06](Interpretation) Ms Taylor, we are going to  
17 assess on a case-by-case basis.

18 If there a question that is really identifying, you can let us know.

19 Mr Prosecutor, please proceed.

20 MR DUTERTRE: [10:54:21](Interpretation) Thank you, Mr President.

21 Q. [10:54:24] Let me rephrase. Now, in that location that we were talking about,  
22 Mr Witness, there were a lot of activities; is that correct?

23 A. [10:54:40] Yes.

24 Q. [10:54:48] And more so because the services there were free of charge; is that  
25 correct, Mr Witness?

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 A. [10:54:57] Yes. Yes.

2 Q. [10:54:59] And at that location, when people needed to write down something,  
3 they did it in French. Is that correct?

4 A. [10:55:18] Yes, we used the French language. We were colonised by France.

5 Q. [10:55:28] And reports as well as files inside the hospital, they were in French,  
6 correct?

7 A. [10:55:35] Yes. In French, yes.

8 Q. [10:55:39] To your knowledge, Mr Witness, it was Dr Maiga who was managing  
9 the hospital; is that correct?

10 A. [10:55:52] Yes.

11 Q. [10:55:58] And he was in contact with the Islamists, wasn't he?

12 A. [10:56:05] Yes.

13 Q. [10:56:11] And he was in contact specifically with Abou Zeid, correct?

14 A. [10:56:20] Yes.

15 Q. [10:56:25] And to your knowledge, at that location, Dr Maiga updated the staff  
16 about the decisions taken with the employees; is that correct?

17 A. [10:56:50] Yes. The employees were informed.

18 Q. [10:57:00] And if I understand correctly, it was Doctors Without Borders, MSF,  
19 who paid the state employees who had remained as well as their own workers and  
20 contract employees?

21 A. [10:57:29] Yes, particularly for those who had contracts. Otherwise, the others,  
22 they motivated them.

23 Q. [10:57:40] What do you mean by "motivation"?

24 A. [10:57:49] Someone who had a contract was better paid than someone who was  
25 simply motivated. Somebody who was motivated could receive 30,000, for example.

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 Q. [10:58:03] In your statement, paragraph 37, you stated that: "MSF was in  
2 charge of the hospital and paid the state employees as well as their own employees."

3 That was your statement; is that correct? That is the truth, isn't it?

4 PRESIDING JUDGE MINDUA: [10:58:42](Interpretation) Ms Taylor.

5 MS TAYLOR: [10:58:43] Mr President, if the Prosecution is referring to a specific  
6 part of the statement, again, in accordance with the Decision on the Conduct of  
7 Proceedings they should refer to the paragraph and they should either read out the  
8 paragraph or give the witness an opportunity to read the paragraph. The witness  
9 has the statement. He doesn't have to have it read to him. If the Prosecutor could  
10 simply at least give the witness the opportunity to see what section he is referring to  
11 and to read the context before being required to answer. That's the first point.

12 The second point is we consistently had not a lot of space between questions and  
13 answers which means that I'm hearing the answer while the Prosecutor is speaking.  
14 So, again, if the Prosecutor could have more pauses, that would be gratefully  
15 appreciated.

16 MR DUTERTRE: [10:59:26](Interpretation) Mr President.

17 PRESIDING JUDGE MINDUA: [10:59:29](Interpretation) Yes, Mr Prosecutor. To  
18 be fair to the witness, maybe we should give him the opportunity to read the  
19 paragraph.

20 MR DUTERTRE: [10:59:44](Interpretation) First of all, the witness has already  
21 answered yes.

22 Secondly, the Chamber knows the context and the witness knows the context and he  
23 understands it. And there are time constraints also. We are trying to go fast, but if  
24 it is not clear enough, we will allow that opportunity to read. Because the witness is  
25 not looking at the transcript, but at the statement.

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 PRESIDING JUDGE MINDUA: [11:00:31](Interpretation) I can see the witness

2 reading the statement.

3 Mr Witness, have you seen paragraph 37?

4 THE INTERPRETER: [11:00:48] From the interpreters: It's actually the witness who

5 most of the time is not observing a pause.

6 THE WITNESS: [11:00:57](Interpretation) Yes.

7 PRESIDING JUDGE MINDUA: [11:01:00](Interpretation) The Prosecutor asked you

8 a question.

9 THE WITNESS: [11:01:09](Interpretation) Yes, I read.

10 MR DUTERTRE: [11:01:16](Interpretation) Thank you, Mr President. So the

11 answer that was in the transcript is yes, absolutely. We can listen to that in the audio

12 later.

13 Q. [11:01:32] Mr Witness, it was MSF that provided most of the medications,

14 correct?

15 A. [11:01:38] Yes.

16 Q. [11:01:40] And so, Mr Witness, if, at the hospital, treatment was free of charge,

17 everything was free of charge, it was thanks to MSF, Doctors Without Borders. They

18 were the ones providing all those things, correct?

19 A. [11:02:02] Yes.

20 Q. [11:02:04] Are you able to confirm, Mr Witness, that it was the NGO ALIMA

21 which took responsibility for things in Niafunké and Diré?

22 A. [11:02:25] Yes, in Niafunké and Diré, that is correct.

23 Q. [11:02:45] Mr Witness, I will move on to something else now. In your

24 statement - and you can refer to it - page 4219, paragraph 41, I will read it out, and I

25 quote:

1 [REDACTED]  
2 [REDACTED]  
3 [REDACTED]  
4 [REDACTED]  
5 [REDACTED]

6 Mr Witness, a short while ago you confirmed to us that you were not there 24/7 at the  
7 [REDACTED] so you agree with me that you did not see [REDACTED] who came to  
8 the [REDACTED] Do you agree?

9 A. [11:04:41] Yes.

10 Q. [11:04:43] And since you were in the [REDACTED] as from June, there  
11 was no reason or time for you to see the patients who were [REDACTED]  
12 who could have come to the [REDACTED] is that correct, Mr Witness?

13 A. [11:05:11] Yes. But in the [REDACTED] in Timbuktu, during the crisis, there  
14 was a lot of solidarity between us, [REDACTED] whether it was in the  
15 [REDACTED]. We were together all the time and we talked about  
16 everything. And during that time in Timbuktu, there were no secrets. Everything  
17 that happened, we were aware of that.

18 Q. [11:05:46] Mr Witness, you confirmed a short a while ago that there were many  
19 activities in the [REDACTED] in Timbuktu. You did not have the time to discuss all those  
20 things, right?

21 A. [11:05:59] We were discussing everything, Mr Prosecutor, and there are no  
22 secrets for us in Timbuktu. I took an oath and I am telling the truth here. Nothing  
23 could be kept secret at the Timbuktu [REDACTED] You cannot know that here, but I  
24 know it. Nothing could be hidden.

25 Q. [11:06:26] Mr Witness, you agree with me that you could not have been able to

Trial Hearing  
 WITNESS: MLI-D28-P-0093

(Open Session)

ICC-01/12-01/18

1 read 100 per cent of the reports issued by [REDACTED] is that correct?

2 A. [11:06:39] I agree with that, counsel.

3 Q. [11:06:45] Furthermore, the relationship with each [REDACTED] covered by the duty  
 4 of confidentiality; is that agreed?

5 A. [11:06:58] Yes.

6 PRESIDING JUDGE MINDUA: [11:07:00](Interpretation) The witness is no longer  
 7 with us. We are going to wait for a few moments.

8 (Pause in proceedings)

9 PRESIDING JUDGE MINDUA: [11:07:18](Interpretation) Please proceed,  
 10 Mr Prosecutor. The witness is back.

11 MR DUTERTRE: [11:07:26](Interpretation)

12 Q. [11:07:27] And [REDACTED] reports were confidential, Mr Witness, right?

13 A. [11:07:33] I agree with you there, too.

14 Q. [11:07:40] And you agree with me that there is -- it is difficult for a man to talk  
 15 about having been a victim of sexual violence; is that correct?

16 A. [11:08:00] I agree with you. But in the [REDACTED] things were  
 17 different.

18 Q. [11:08:11] Mr Witness, it is even a taboo to talk about having been a victim of  
 19 sexual violence. One can be stigmatised; is that correct?

20 A. [11:08:25] That is true. In Timbuktu, we were the same people. We were all  
 21 parents and nothing was hidden.

22 Q. [11:08:36] Mr Witness, the hospital was guarded by armed Islamists; is that  
 23 correct?

24 A. [11:08:43] Timbuktu was secured by the Islamists.

25 Q. [11:08:49] So it is difficult for a woman victim of rape to come to a hospital

Trial Hearing  
 WITNESS: MLI-D28-P-0093

(Open Session)

ICC-01/12-01/18

1 guarded by Islamists who were armed; is that correct?

2 A. [11:09:08] The Islamists were helping us. They even gave us numbers to  
 3 contact them in time of crisis, but in Timbuktu, we did not hear people talk about  
 4 rapes. We did not hear about that at all.

5 Q. [11:09:33] Mr Witness, that was not my question. I asked you that it is difficult  
 6 for women who are victims of sexual violence to come [REDACTED] hospital guarded by  
 7 armed Islamists; is that correct?

8 A. [11:09:53] The Islamists did not prevent anyone from coming to the hospital or  
 9 to ask them what they were doing. They were not also there every day. They were  
 10 there also when they were sick. Not every day.

11 Q. [11:10:17] Mr Witness, you said that the Islamists provided the security for the  
 12 hospital, right?

13 A. [11:10:22] I said that they were providing security for Timbuktu, that means the  
 14 hospital was included also.

15 PRESIDING JUDGE MINDUA: [11:10:32](Interpretation) Ms Taylor.

16 MS TAYLOR: [11:10:33] Thank you, Mr President. It's been very difficult to follow,  
 17 and the interpreter before has said it's the witness not pausing, but what I'm  
 18 constantly hearing is the Prosecutor speaking over the witness's answers. So I  
 19 would again request that there be a pause so that we can follow it properly. We do  
 20 have two French speakers. Irrespective of whether it is the Prosecutor who should  
 21 pause or the witness who should have a pause, there needs to be more pauses for us  
 22 to be able to follow it. Thank you.

23 PRESIDING JUDGE MINDUA: [11:11:14](Interpretation) Very well, Ms Taylor.

24 Mr Prosecutor, once again, you are reminded of that.

25 MR DUTERTRE: [11:11:25](Interpretation) Thank you, Mr President, for that

WITNESS: MLI-D28-P-0093

(Open Session)

ICC-01/12-01/18

1 reminder. We will try.

2 Q. [11:11:35] Now, on that topic, I have one last question for you, Mr Witness.

3 There were Islamists in the hospital, right, who came to the hospital?

4 A. [11:11:57] Mr Prosecutor, the Islamists came there only to be consulted, only for  
5 consultations.

6 Q. [11:12:08] And initially, they even came with their weapons, that is what you  
7 said; is that correct?

8 A. [11:12:16] Absolutely, yes.

9 Q. [11:12:26] Mr Witness, I would like to move on to another topic and this is still  
10 on page 4219, paragraph 42, in which you talk about a marriage. And you say, and I  
11 quote, slowly:

12 "I remember women who got married to Islamists during the crisis. I knew the  
13 brother of a woman from Bellafarandi who got married to one of them. She gave her  
14 consent and her parents also accepted the marriage. She was in love with him. The  
15 name of the brother is [REDACTED] The woman was from the [REDACTED] family  
16 but I no longer remember her first name."

17 Mr Witness, the first question - and I will ask the indulgence of the Chamber, maybe I  
18 will go over by a few minutes, but it will not be very long - what is the name of that  
19 Islamist who married this woman?

20 A. [11:14:22] I'm sorry, Mr Prosecutor, I do not know his name. But I know the  
21 family and I know the girl.

22 Q. [11:14:39] But you do not know the first name of the girl, right?

23 A. [11:14:47] I do not know her first name, but I know the family very well. I even  
24 know the location of their house.

25 Q. [11:14:56] You do not know her exact age of that girl, right?

Trial Hearing  
WITNESS: MLI-D28-P-0093

(Open Session)

ICC-01/12-01/18

1 A. [11:15:05] I do not know her precise age.

2 Q. [11:15:10] Mr Witness, that means you really do not know that girl in real fact,  
3 right?

4 A. [11:15:17] I know her very well. I know her family.

5 Q. [11:15:21] You don't know her name, you don't know her age, but you know her  
6 very well. You were not present when the Islamists are supposed to have met with  
7 the family of this girl, right?

8 A. [11:15:36] I was not present when they met with the family.

9 THE INTERPRETER: [11:15:45] The interpreter notes there was an inaudible  
10 response at 11:15:24 in the French transcript, which was also not picked up by the  
11 English interpreter.

12 MR DUTERTRE: [11:15:57](Interpretation)

13 Q. [11:15:57] The fact is, everything you know is what the brother of this girl told  
14 you, right?

15 A. [11:16:07] It is not only what the brother said. Even the girl, she is still with her  
16 husband right to this day.

17 Q. [11:16:25] Her husband abandoned her, right?

18 A. [11:16:27] It is true, he's not there. But for your information, two months ago  
19 they say that he came to Timbuktu, but he left.

20 Q. [11:16:35] Who is that, Mr Witness?

21 A. [11:16:39] The population.

22 Q. [11:16:42] In 2012, in 2013, he left without taking his wife, did he not?

23 A. [11:16:47] Yes, he left without his wife.

24 Q. [11:16:49] And recently, he left without taking his wife?

25 A. [11:16:54] Indeed.

1 MR DUTERTRE: [11:16:57](Interpretation) I have five or six questions on this issue,  
 2 your Honour, and afterwards, I've finished this subject. I am in your hands.

3 PRESIDING JUDGE MINDUA: [11:17:14](Interpretation) Okay, please finish this  
 4 subject.

5 MR DUTERTRE: [11:17:19](Interpretation)

6 Q. [11:17:20] Witness, the brother must have told you that the Islamists bore  
 7 a weapon when he asked for the hand of this girl from the parents; is that not the  
 8 case?

9 A. [11:17:39] Yes.

10 Q. [11:17:51] Now, you say that the brother was called   
 11 Witness, this is a very, very common first name, is it not?

12 A. [11:18:10] Yes.

13 Q. [11:18:13] And you also say that the name of the family of the young woman  
 14 was 

15 A. [11:18:29] Indeed.

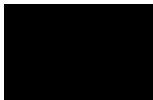

16 Q. [11:18:30] This is a name which is also extremely common in --

17 THE INTERPRETER: [11:18:34] Overlapping speakers.

18 THE WITNESS: [11:18:36](Interpretation) Indeed.

19 PRESIDING JUDGE MINDUA: [11:18:41](Interpretation) Don't forget to leave  
 20 a break.

21 MR DUTERTRE: [11:18:53](Interpretation)

22 Q. [11:18:54] This is an extremely common name in Mali, is it not, Witness   
 23 where you get it everywhere?

24 A. [11:18:59] Yes, indeed. Yes, indeed.

25 Q. [11:19:01] And this alleged marriage happened in a town which was occupied

2 A. [11:19:10] Indeed, but only it was not forced.

3 Q. [11:19:16] And the Islamists, they would walk around with weapons in the  
4 streets of Timbuktu, would they not?

5 A. [11:19:24] Yes.

6 MR DUTERTRE: [11:19:29](Interpretation) Your Honour, thank you for your  
7 indulgence. We can have the break now.

8 PRESIDING JUDGE MINDUA: [11:19:42](Interpretation) Very well. Thank you  
9 very much, Prosecutor.

10 So it is now 11:20. We are going to have a break for half an hour and we will back at

16 THE COURT USHER: [11:54:07] All rise.

21 MR DUTERTRE: [11:54:41](Interpretation) Thank you, your Honour.

22 Q. [11:54:50] Witness, if we change subject, I am going to go to page 15 of your  
23 statement, 4215, paragraph 15, and you say: "I joined the Islamists above all who

24 visited the hospital. I above all interacted with the Islamists who joined the hospital.

1 a section called the *Hesbah*."

2 That is MLI-D28-0006-4215. Paragraph 15.

3 Have you heard? Is there a problem?

4 A. [11:56:11] Yes, I heard it.

5 Q. [11:56:13] Witness, throughout the occupation for 10 months, your testimony  
6 was that you never heard anyone speak about the *Hesbah* or of the centre.

7 A. [11:56:34] No, I haven't heard anybody speak about that centre, or the *Hesbah*.

8 Q. [11:56:44] Witness, we are in agreement that there were meetings with the  
9 Islamists on the functioning of the hospital. That's something that we already said.

10 A. [11:56:53] Yes.

11 Q. [11:56:55] And for example, there was a meeting on the question of wearing the  
12 veil at the hospital, was there not?

13 A. [11:57:05] Yes.

14 Q. [11:57:16] And you didn't hear that it was the *Hesbah* who were responsible for  
15 this type of thing, Witness?

16 A. [11:57:24] I didn't hear that.

17 Q. [11:57:29] So it's -- you're finding about it now?

18 A. [11:57:34] Yes, it's today.

19 Q. [11:57:38] And you are also not aware that Abou Al Walid, who succeeded  
20 Mohamed Moussa, came to present himself at the hospital when he took up his  
21 functions in the hospital?

22 A. [11:58:07] No.

23 THE INTERPRETER: [11:58:13] When he took up his functions in the *Hesbah*,  
24 corrects the interpreter.

25 MR DUTERTRE: [11:58:20](Interpretation)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 Q. [11:58:20] Today on page 37, lines 22 to 26, of the French transcript, you state:  
2 "At the [REDACTED] during the crisis, we were very much in  
3 solidarity with each other. We said everything to each other, whether you were in  
4 [REDACTED] we were all together and we would tell each

6 So you never heard that the *Hesbah* came to the hospital or that Abou Al Walid had  
7 come to the hospital; is that your testimony?

8 A. [11:59:20] No, I didn't hear that.

9 Q. [11:59:25] Nobody stated the word "*Hesbah*" in front of you?

10 A. [11:59:29] No.

11 Q. [11:59:51] Witness --

12 A. [11:59:55] Yes.

13 Q. [11:59:55] -- you went to the BMS at least once, did you not?

14 A. [12:00:01] Yes.

15 Q. [12:00:01] Didn't you?

16 A. [12:00:02] Yes.

17 Q. [12:00:03] Could you speak, because you are nodding and it's not in the  
18 transcript.

19 A. [12:00:09] I said yes.

20 Q. [12:00:12] And on that occasion also you didn't hear anybody hear speak about  
21 the *Hesbah*?

22 A. [12:00:30] I didn't hear anybody speak about the *Hesbah*, I didn't hear that.

23 Q. [12:00:35] I see. I'm now going, Witness, to page 4217, paragraph 30 thereof,  
24 where you state -- I'm not going to quote everything because it's a bit long, but you  
25 state in the second sentence, and here I quote:

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 "The Islamic police followed the same system of law as the normal authority  
2 responsible for applying law -- the law." End of quote.

3 Witness, we have a police report from June 2012, the ERN is 0001-7514 by way of  
4 reference, the translation 0034-0169. This report was already shown to the judges,  
5 and it mentions clearly that torture was used to try to get an alcohol seller to speak in  
6 Timbuktu in 2012. Now, Witness, a normal authority responsible for applying the  
7 law does not torture, does it?

8 PRESIDING JUDGE MINDUA: [12:02:47](Interpretation) Yes, Ms Taylor.

9 MS TAYLOR: [12:02:50] Mr President, the Prosecutor has put a question to the  
10 witness which is based on a document that has not been shown to the witness. The  
11 Prosecution has not established any foundation to show the document to the witness,  
12 and they've now asked the witness to just simply provide an opinion. Now, this is  
13 an entirely inappropriate manner of proceeding.  
14 The witness is here to testify on the basis of what he saw and what he heard in 2012,  
15 and not to provide an opinion on things he hasn't seen and for which no foundation  
16 has been provided to link to his testimony.

17 PRESIDING JUDGE MINDUA: [12:03:35](Interpretation) Prosecutor, how would  
18 you answer that?

19 MR DUTERTRE: [12:03:39](Interpretation) Your Honour, I'm in cross-examination.  
20 I don't need necessarily to show the document. And I don't think Madam Taylor  
21 challenges its existence or the content therein. It's directly linked to a statement of  
22 the witness. And I'm not giving an opinion in a sense, I'm making a proposal upon  
23 which he can say yes or no.

24 THE INTERPRETER: [12:04:17] The interpreter points out there are lots of off-mic  
25 noises.

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 PRESIDING JUDGE MINDUA: [12:04:22](Interpretation) Perhaps the best way is to  
2 put the question directly because in the statement, in paragraph 30 precisely, he says  
3 that the population perceived that this system was normal. So maybe you should  
4 put your question and then it will be replied to.

5 MR DUTERTRE: [12:04:49](Interpretation) Very well.

6 PRESIDING JUDGE MINDUA: [12:04:51](Interpretation) I see that Ms Taylor is on  
7 her feet.

8 MS TAYLOR: [12:04:55] Thank you very much, Mr President. It might be that my  
9 objection was not understood, but it's not a matter of giving this witness a proposition  
10 and asking for his opinion. It's a matter of eliciting evidence about what he saw and  
11 what he experienced in 2012.

12 Now, if the Prosecution wishes to ask the witness about what he saw, they can do so  
13 and then they can ask follow-up questions. But they can't put a random proposition  
14 based on a document the witness has not seen, for which they've established no  
15 foundation to tie to his testimony and then ask him for an opinion. It has no  
16 evidential or probative value.

17 Now, if the Prosecution wishes to establish whether he's aware of this incident, they  
18 can do so and then ask follow-up questions, but they haven't got anywhere near that.

19 PRESIDING JUDGE MINDUA: [12:05:44](Interpretation) Ms Taylor, we have a basis  
20 because there's paragraph 30 in the witness statement. The witness states that the  
21 police applied normal methods. And the Prosecutor has his proposition which he is  
22 putting to the witness, and that's not good for you. I'm not referring to the report  
23 that the witness hasn't seen. Prosecutor.

24 MR DUTERTRE: [12:06:10](Interpretation) I will rephrase it in a general way,  
25 your Honour.

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 Q. [12:06:15] Witness --

2 A. [12:06:19] Yes.

3 Q. [12:06:20] You would agree that the use of torture is not a normal police method,  
4 is it?

5 A. [12:06:29] Well, why the -- if the torturers torture thieves for the -- so that the  
6 thieves see what they have been stolen --

7 Q. [12:06:47] Witness, that's not exactly what I said.

8 THE INTERPRETER: [12:06:48] The interpreter notes that there is a lot of distracting  
9 sounds off mic.

10 MR DUTERTRE: [12:06:57](Interpretation)

11 Q. [12:06:57] Is it normal to use torture, Witness?

12 A. [12:06:59] No, it's not a normal method, I agree. But even in normal times, to  
13 get the person to speak it is used.

14 Q. [12:07:22] Witness, adultery was forbidden during the occupation of Timbuktu  
15 in 2012 to 2013, during the occupation by AQIM and Ansar Dine, was it not?

16 A. [12:07:37] Yes.

17 Q. [12:07:44] You are aware, Witness, that in June 2012, in Sankoré square, a couple  
18 underwent flogging of 100 lashes each for adultery. You know that, do you not?

19 MR DUTERTRE: [12:08:11](Interpretation) We have lost the witness.

20 PRESIDING JUDGE MINDUA: [12:08:15](Interpretation) Court officer, the witness  
21 has disappeared.

22 (Pause in proceedings)

23 PRESIDING JUDGE MINDUA: [12:08:42](Interpretation) The technicians are trying  
24 to get our witness back. And I take this break to remind -- I take this break to  
25 remind the Prosecutor that there is a need to observe breaks between the question and

1 answer. That is what my colleague was alerting me to.

2 THE INTERPRETER: [12:09:16] The interpreter notes that the omnidirectional  
3 microphones being used are picking up all the sound in the room which is creating  
4 a lot of off-mic disturbance.

5 (Pause in proceedings)

6 PRESIDING JUDGE MINDUA: [12:10:17](Interpretation) Prosecutor, the witness  
7 has returned, so please proceed.

8 MR DUTERTRE: [12:10:21](Interpretation) Thank you, your Honour.

9 Q. [12:10:23] Witness, do you want me to repeat the question or are you able to  
10 remember it? If it is the case, could you answer it?

11 A. [12:10:31] Could you repeat it, please.

12 Q. [12:10:34] Are you aware, Witness, that in June 2012, in Sankoré square, a couple  
13 was flogged each 100 lashes for adultery? You know that, do you not?

14 A. [12:10:55] Yes.

15 Q. [12:10:58] Were you there in person, Witness?

16 A. [12:11:11] No, I wasn't there in person.

17 Q. [12:11:15] Where were you, Witness?

18 A. [12:11:19] I was at work.

19 Q. [12:11:31] And you know that this couple was taken thereafter to the hospital,  
20 do you not, Witness?

21 A. [12:11:38] Yes.

22 Q. [12:11:45] And you, Witness, everyone spoke about this event, didn't they, in  
23 Timbuktu?

24 A. [12:11:58] Indeed.

25 Q. [12:12:07] And you know that the Islamic police were present at the time there,

WITNESS: MLI-D28-P-0093

(Open Session)

ICC-01/12-01/18

1 you know?

2 A. [12:12:20] I don't know if the Islamic police were present there or not.

3 Q. [12:12:24] But it was discussed with everybody, this flogging. You don't know  
4 if the Islamic police were there?

5 A. [12:12:31] No, I don't know that.

6 Q. [12:12:40] There were also videos that were being sent around, were there not,  
7 Witness?

8 A. [12:12:47] Videos of what?

9 Q. [12:12:50] Of the flogging in Place Sankoré in 2012?

10 A. [12:12:56] I haven't seen the videos.

11 Q. [12:12:57] You haven't seen the videos? Very well. And you, Witness, given  
12 your profession -- your vocation, I would say, do you find it good to give 100 lashes  
13 to a man and a woman?

14 A. [12:13:23] Well, in our law it's not normal.

15 Q. [12:13:36] And it causes great suffering, from the knowledge that you have, does  
16 it not?

17 A. [12:13:44] Indeed.

18 Q. [12:13:57] Alcohol was banned by Ansar Dine and AQIM in Timbuktu in 2012,  
19 was it not?

20 A. [12:14:06] Yes.

21 Q. [12:14:14] And you are aware that the Islamic police in Timbuktu beat people in  
22 the streets who were drinking alcohol, didn't they?

23 A. [12:14:27] I didn't see that. People no longer drank alcohol in the streets since  
24 the Islamists arrived.

25 Q. [12:14:38] So you never heard anybody speak about flogging of people, flogging

Trial Hearing

(Open Session)

WITNESS: MLI-D28-P-0093

1 of people who had drunk alcohol in 2012 by the Islamic police?

2 A. [12:15:08] No, only adultery, I was aware of the adultery, yes. But where it  
3 concerns drinking alcohol, no. I didn't see that.

4 Q. [12:15:26] So we agree that you did not know everything happening in the town,  
5 correct?

6 A. [12:15:36] Mr Prosecutor, during the crisis, everything was known in Timbuktu.  
7 We had *grins* and people talked about it, so everything was talked about.

8 Q. [12:15:55] I have understood you, Mr Witness. But you also heard about the  
9 destruction of the mausoleums in June/July 2012, Mr Witness?

10 A. [12:16:21] Yes, I was very much touched by that.

11 Q. [12:16:27] That affected you because those mausoleums are important for the  
12 people in Timbuktu, right?

13 A. [12:16:37] Yes.

14 Q. [12:16:39] Can you tell the Chamber whether -- why the mausoleums are so  
15 important?

16 A. [12:16:51] The mausoleums in Timbuktu are holy places for all the inhabitants of  
17 Timbuktu.

18 Q. [12:17:05] And you certainly know, Mr Witness, that the Islamic police were  
19 present at the site of the destruction of some of those mausoleums?

20 A. [12:17:21] There were Islamists there who destroyed those mausoleums, but to  
21 say that the police is -- the Islamic police was there, I cannot say. And even those  
22 who did the destruction were not from Timbuktu also. I do not know where they  
23 came from.

24 Q. [12:17:44] Mr Witness, a short while ago, page 54, T-35, lines 3 to 6, you just said:  
25 "During the crisis everything was being said in Timbuktu. Everything that

1 happened, we knew because we had *grins* and we met each other", et cetera.

2 So you did not hear that the Islamic police was present in the Sidi Mahmoud or Alpha  
3 Moya cemeteries? You didn't hear about that?

4 A. [12:18:34] Yes.

5 Q. [12:18:56] Mr Witness, you talked about Adama. Is it correct, Mr Witness, that  
6 he was relieved of his duties because of his -- of the complaints from the population,  
7 that is, his duties as chief of police?

8 A. [12:19:17] Yes.

9 Q. [12:19:28] And it is because people complained that Adama chased after  
10 a woman in his house and beat her up. Is that correct?

11 A. [12:19:48] That, I did not hear about. I really did not hear that.

12 Q. [12:19:54] It was not talked about in your *grin*?

13 A. [12:19:59] No.

14 Q. [12:20:13] I will go on to something else, Mr Witness. Page 4214, paragraph 14  
15 in your statement, you say: "I knew Al Hassan before 2012 when he was working in  
16 the Zorho pharmacy."

17 Mr Witness, you knew Al Hassan several years before 2012; is that correct?

18 A. [12:20:49] Yes.

19 Q. [12:20:55] And both of you are Tamasheq, correct?

20 A. [12:20:59] Yes.

21 MR DUTERTRE: [12:21:05](Interpretation) Can we go very briefly -- very quickly to  
22 private session?

23 PRESIDING JUDGE MINDUA: [12:21:10](Interpretation) Very well.

4 MR DUTERTRE: [12:21:37](Interpretation)

5 Q. [12:21:37] Mr Witness, you and Al Hassan -- Al Hassan ar [REDACTED]

6 [REDACTED] in the broad sense, correct?

7 A. [12:21:47] Yes.

8 Q. [12:21:51] Can I ask you, Mr Witness, to observe, please, a short pause before

9 your answer so as to enable the interpreters to work. Both of us are guilty of that but

10 we are going to try to observe a pause, both of us.

11 A. [12:22:12] Very well.

12 Q. [12:22:21] Before 2012, you saw Mr Al Hassan frequently also, correct?

13 A. [12:22:29] Yes.

14 Q. [12:22:38] And you agree that he also did a sort of internship in [REDACTED]

15 where you were working before the crisis, right?

16 A. [12:22:49] I did not know him in [REDACTED]

17 Q. [12:22:52] You did not know him i [REDACTED]

18 A. [12:22:54] No.

19 Q. [12:22:57] So, Mr Witness, it can be said that you had a friendly relationship

20 with him, right?

21 A. [12:23:08] No. We were simply familiar with each other.

22 Q. [12:23:16] But you saw each other frequently, right?

23 A. [12:23:20] No. Not so frequently. Only when I came to Timbuktu and that

24 was rare, we could spend years without seeing each other.

25 Q. [12:23:32] Mr Witness, when Al Hassan intervened when you had problems

1 with cigarettes in Timbuktu, in 2012, because you cannot hide smoking because

2 smoke smells, it has a scent, he intervened because you were friends, right?

3 A. [12:24:17] In one word we knew each other, but in the [REDACTED] area, we were there

4 [REDACTED] and you cannot hide cigarettes. He looked for me and he found me,

5 so it was thanks to God that I was released.

6 Q. [12:24:42] So your answer is "yes", Mr Witness?

7 A. [12:24:49] Yes.

8 Q. [12:25:03] Mr Witness, you know Sanda Ould Boumama? Ould Boumama,

9 correct?

10 A. [12:25:16] Yes, Sanda came frequently to the [REDACTED]

11 Q. [12:25:19] And what did he come to do at [REDACTED]

12 A. [12:25:24] Sometimes he came with [REDACTED], sometimes he visited the

13 [REDACTED] and sometimes people in the [REDACTED] called him to come for other problems,

14 also.

15 Q. [12:25:46] And did you have telephone contact with him, Mr Witness?

16 A. [12:25:55] With whom?

17 Q. [12:25:57] With Sanda Ould Boumama?

18 A. [12:26:01] No. Never.

19 Q. [12:26:09] At that time you had a telephone, right?

20 A. [12:26:13] Yes, of course.

21 Q. [12:26:25] I will show a document, Mr President, ERN 0031-1023, and it is tab 31.

22 And I will be looking at line 1852. And it is to be displayed on evidence 2.

23 Can you see an image on your screen, Mr Witness?

24 A. [12:27:30] Yes, I can see it.

1 A. [12:27:40] Yes, it is visible.

2 Q. [12:27:44] I will explain. This is a telephone data which was given to us by  
3 Malian authorities. There are various columns with phone numbers, dates of calls,  
4 the times, the names and first names, professions and addresses of various  
5 individuals.

6 A. [12:28:30] Mm-hmm.

7 Q. [12:28:34] [REDACTED] it is indeed your name, right?

8 A. [12:28:42] Yes, it is my name.

9 Q. [12:28:46] And in column [REDACTED] what is your profession?

10 A. [12:28:51] Yes.

11 Q. [12:28:53] And under M, it is the town in which you lived, correct?

12 A. [12:28:59] Yes.

13 Q. [12:29:01] And so, in column E, the number [REDACTED] is indeed your number,  
14 right?

15 A. [12:29:23] Which number?

16 Q. [12:29:30] We should zoom in to that number to facilitate its visibility. It has  
17 been highlighted in yellow, line [REDACTED]

18 A. [12:29:46] Yes, it is my number.

19 Q. [12:29:49] Very well. I will open another document and I will have questions to  
20 put to you, Mr Witness.

21 Mr President, I opened document 0031-1606, which is in tab 33 of our binder.

22 Mr Witness, on this line [REDACTED] towards the right, there is your name, profession and  
23 place of residence as well as your number under column E, ending with [REDACTED] And

2 A. [12:32:11] I think it's -- did not call this number, I did not call this number, I  
3 never called Sanda.

4 Q. [12:32:24] Mr Witness --

5 A. [12:32:26] Yes, I'm listening.

6 Q. [12:32:29] -- we agree that number [REDACTED] is your number, right?

7 A. [12:32:36] Yes, of course, it is my number.

8 Q. [12:32:40] I thank you.

9 A. [12:32:46] You're welcome.

10 Q. [12:32:55] Do you know someone called Abou Hamzah Al Shibani? Do you  
11 know that person, Mr Witness?

12 A. [12:33:05] No, I do not know that person.

13 Q. [12:33:14] An assistance -- an assistant to Abou Talha. You know Abou Talha,  
14 right?

15 A. [12:33:24] No, I do not know Abou Talha.

16 Q. [12:33:26] After the occupation in Timbuktu for several months, and everybody  
17 discussed everything, you still did not know Abou Talha?

18 A. [12:33:39] I do not know Abou Talha. I do not know Abou Talha. if you talk  
19 about Abou Dardar, that is possible.

20 Q. [12:33:56] Who is Abou Dardar?

21 A. [12:33:59] Abou Dardar was also one of the Islamists, he is -- he remained in  
22 Radio Bouctou, in the Bouctou meeting.

23 Q. [12:34:16] What is that meeting? What was he doing there?

24 A. [12:34:21] He became the director of Radio Bouctou after the departure of Kader.

25 Q. [12:34:40] Mr Witness, I will move to something else.

- 10 Q. [12:35:21] Why not, Mr Witness?
- 11 A. [12:35:25] As far as I'm concerned, that person is a resource person.
- 12 Q. [12:35:37] Did anyone instruct you not to give that information?

- 15 Q. [12:35:52] Why don't you want to give the name?
- 16 A. [12:35:54] I simply do not want to give the name, that is all.
- 17 MR DUTERTRE: [12:36:05](Interpretation) Mr President, I would like the Chamber

1 THE WITNESS: [12:36:43](Interpretation) No. Really, I just didn't want to provide  
2 the name. It is a resource person.

3 MS TAYLOR: [12:36:54] Mr President.

4 PRESIDING JUDGE MINDUA: [12:37:00](Interpretation) Ms Taylor.

5 MS TAYLOR: [12:37:01] Mr President, it's possible that the witness has security  
6 concerns given that this is an individual [REDACTED] perhaps this is an  
7 issue. I'm not sure that the Prosecution has demonstrated any relevance, but the  
8 witness may have security concerns about giving information which could identify  
9 the residence of the person or could, for certain reasons, create security issues.

10 If the witness could perhaps be told that this issue -- if this name is given, it will only  
11 be for the persons in this courtroom and it will not be disseminated further. He  
12 might feel comfortable. But given where this witness lives, he might have specific  
13 security concerns and be concerned about being identified as a witness by disclosure  
14 of information which could identify specific personal details.

15 PRESIDING JUDGE MINDUA: [12:38:08](Interpretation) You wanted to propose  
16 something, Mr Prosecutor.

17 MR DUTERTRE: [12:38:10](Interpretation) I think the Defence is giving an  
18 explanation on behalf of the witness, but apart from that, we are in private session, so  
19 there is no specific risk. I simply wanted to ask the witness whether that person is

20 [REDACTED]

21 Q. [12:38:30] [REDACTED] is that the person?

22 A. [12:38:41] What I'm saying is that it is a resource person.

23 Q. [12:38:45] His name is [REDACTED] is that correct, Mr Witness?

1 private session and no one will hear you, not even the resource person in question. I  
 2 am not compelling you to disclose that name. I'm not ordering you to do that. But  
 3 I'm asking you, in private session, you do not want to give that name to the  
 4 Prosecutor and to the Chamber and the parties present here? If there is no  
 5 fundamental reason preventing you, you can do that without being compelled by the  
 6 Chamber.

7 THE WITNESS: [12:39:47](Interpretation) Mr President, I prefer to keep that name to  
 8 myself.

9 PRESIDING JUDGE MINDUA: [12:39:55](Interpretation) Mr Prosecutor, I don't  
 10 think it's really important. The Chamber does not want to order the witness to do  
 11 that.

12 MR DUTERTRE: [12:40:06](Interpretation) I have a follow-up question.

13 PRESIDING JUDGE MINDUA: [12:40:09](Interpretation) Please ask your question.

14 MR DUTERTRE: [12:40:12](Interpretation)

15 Q. [12:40:14] Mr Witness, the reason why you do not want to give the name is  
 16 because that person told you to say certain things, right?

17 A. [12:40:25] The person did not tell me anything. God is my witness.

18 Q. [12:40:35] Mr Witness --

19 A. [12:40:37] Yes.

20 Q. [12:40:39] -- you know [REDACTED] right?

2 Q. [12:41:34] And he was working as a [REDACTED] correct?

3 A. [12:41:42] Yes.

4 Q. [12:41:50] And you know him well. That is a fact, right?

5 A. [12:41:56] Yes.

6 Q. [12:42:05] And he also knows Mr Al Hassan well, right?

7 A. [12:42:08] Yes.

8 Q. [12:42:21] Mr Witness, you gave part of your statement in January 2022. At  
9 what location was that, Witness?

10 A. [12:42:42] What do you mean by that? What location?

11 Q. [12:42:46] In January 2022, where was it that you met with the Defence?

12 A. [12:42:53] In [REDACTED]

13 Q. [12:43:05] And when you signed your statement in April 2022, it was also in  
14 [REDACTED] is that correct?

15 A. [12:43:14] Yes.

16 PRESIDING JUDGE MINDUA: [12:43:20](Interpretation) Mr Prosecutor, we are still  
17 in private session. Can we go to open session?

18 MR DUTERTRE: [12:43:31](Interpretation) We can try and I will be careful.

19 Q. [12:43:41] You certainly met [REDACTED] in January and April 2022,  
20 right?

21 A. [12:43:54] [REDACTED] it is a long time that we have not seen each other  
22 since he is [REDACTED]

23 Q. [12:44:09] Since when did you last see him?

24 A. [12:44:11] It should be two years or so.

4 THE COURT OFFICER: [12:44:26] We are back in open session, Mr President.

5 PRESIDING JUDGE MINDUA: [12:44:36](Interpretation) Thank you very much,

8 MR DUTERTRE: [12:44:41](Interpretation)

9 Q. [12:44:43] Mr Witness, when you saw him two years ago, in 2020, both of you  
10 talked about Mr Al Hassan, correct?

11 A. [12:44:59] No, God is my witness.

12 Q. [12:45:10] Both of you know Mr Al Hassan, but when you met, you never talked  
13 about Mr Al Hassan?

14 A. [12:45:21] We never talked about Mr Al Hassan's case. Never.

15 MR DUTERTRE: [12:45:34](Interpretation) I have no further questions.

16 PRESIDING JUDGE MINDUA: [12:45:37](Interpretation) Thank you very much,

18 Now I will turn to the Legal Representative of Victims and ask whether they still have  
19 questions for the witness.

20 Maître Nsita.

21 MR LUVENGIKA: [12:45:59](Interpretation) Yes, thank you, your Honour, for  
22 giving me the floor. I think that I would just have two small questions on two topics  
23 in order to obtain some clarification from the witness. I won't be very long. I think  
24 that I will have finished by the break.

25 PRESIDING JUDGE MINDUA: [12:46:23](Interpretation) Very well. There are no

2 You have the floor, *Maître* Nsita, for your questions.

3 QUESTIONED BY MR LUVENGIKA: (Interpretation)

4 Q. [12:46:34] Good morning, Witness.

5 A. [12:46:36] Good morning.

6 Q. [12:46:38] My name is *Maître* Nsita. I'm the Legal Representative of Victims in  
7 this case and I would like to put certain questions to you or at least on two issues,  
8 agriculture and then I will come back to the issue of culture, Tamasheq culture, where  
9 it comes to rape -- theft --

10 THE INTERPRETER: [12:47:09] Rape, corrects the interpreter.

11 MR LUVENGIKA: [12:47:15](Interpretation)

12 Q. [12:47:15] In your statement, a moment ago the Prosecutor put questions to you  
13 on paragraph -- if my memory serves me well, paragraph 8. Paragraph 8, what you  
14 said was -- or we've understood that you are from Timbuktu, that you have always  
15 worked in Timbuktu as well as your parents. But in this paragraph, it states that  
16 your mother, your wife and children came to Timbuktu. So I would like you to tell  
17 us where did they come from when you say -- as you express it in paragraph 8, where  
18 were they coming from?

19 A. [12:48:17] Thank you. In this part, there is a small mistake. I didn't say that  
20 they had come. I said that they are in Timbuktu, I'm the one who came to Timbuktu.  
21 I left [REDACTED] to come to Timbuktu. But my relatives -- my parents, my children  
22 are in Timbuktu or were in Timbuktu.

23 Q. [12:48:42] But right at the beginning of your examination-in-chief, you were  
24 presented with a document and you confirmed the content, did you not?

25 A. [12:48:50] No, I didn't read this paragraph well.

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 Q. [12:48:52] Okay. So when you say that your parents are farmers, what do you  
2 mean by -- or your relatives, what do you mean by "relatives"?

3 A. [12:49:08] The population of Timbuktu in one word, the primary work is that of  
4 agriculture.

5 Q. [12:49:18] So in your family, your relatives, when you speak about your relatives,  
6 who -- who are they for you?

7 A. [12:49:27] My relatives or my parents. My mother, my uncles, my wife, my  
8 children, my older brothers, my older sisters. Those are my relatives. My parents,  
9 my mother, my uncles, my wife, my children, my older sisters, my sisters. So  
10 everybody practised agriculture.

11 Q. [12:49:54] And where did they practice this agriculture?

12 A. [12:49:56] Fourteen kilometres from Timbuktu.

13 Q. [12:50:01] That's towards the Niger River, is it not?

14 A. [12:50:05] Yes, indeed it is.

15 Q. [12:50:14] And what did they grow or cultivate?

16 A. [12:50:17] Rice. They grew rice and beans.

17 Q. [12:50:21] So this agriculture is different to what we would call *marâchage*?

18 A. [12:50:33] Yes.

19 Q. [12:50:41] In the northern region, in a general way, who cultivates rice in the  
20 field? Is it men or women who grow rice?

21 A. [12:50:55] Men and women.

22 Q. [12:51:09] Did you know or do you know about the garden of peace?

23 A. [12:51:14] Yes, I know the garden of peace next to the flame of peace.

24 Q. [12:51:21] And what practice is it there?

25 A. [12:51:24] There, it's market gardening or vegetable growing. Salad, they're

Trial Hearing

(Open Session)

WITNESS: MLI-D28-P-0093

1 different vegetables that they grow. *Maraîchage*, in French, market gardening. So  
2 tomatoes, onions, salads.

3 Q. [12:51:42] Well, as you are the son of a farmer or an arable farmer, you know  
4 what -- in which period you plant rice and, in 2012, you know when the harvest is?  
5 Could you tell the Chamber?

6 A. [12:52:00] Yes. So we are currently in this period where you carry out the  
7 harvest. We're presently.

8 Q. [12:52:14] This is the period of planting or when you harvest it?

9 A. [12:52:20] The planting period. And then harvesting is in two months.

10 Q. [12:52:30] Okay. So it's two months. So if I go to -- so if I go to your  
11 paragraph 9, and paragraph 20, now you speak about an abundance of food in  
12 Timbuktu in 2012 because of the fuel and buses that the Islamists allegedly gave to  
13 the farmers, but here you seem to say that the harvesting was in two months. And  
14 how is that in your statement you claimed that in 2012, the market was inundated  
15 with agricultural products because the Islamists had given fuel to the farmers?

16 A. [12:53:24] Yes, obviously, the period is also different. The Islamists didn't have  
17 it (indiscernible), but they gave fuel to them. And the people speak about that until  
18 today. They still speak about the period of the crisis, the abundance that there was  
19 of rice, melons, watermelons. They still speak about that now.

20 Q. [12:53:54] Is it not an abundance after the period of occupation?

21 A. [12:54:05] This is something that is said. But in our religion we say it comes  
22 from God. There's a lot of rain as well. That's it. There was a lot of rain.

23 Q. [12:54:20] Very well. I will go on to my second subject here.

24 So in answer to the question of the Prosecutor, you wanted to stress a specific aspect  
25 in Timbuktu where it concerned the women being victims of sexual violence. You

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 said in other locations it was like that, but in Timbuktu, it was different. Could you  
2 be more specific why the women in Timbuktu were not embarrassed to say or they  
3 didn't want to say that they had been raped when a lot of women are reticent to say  
4 that? But why are women in Timbuktu so specific that they shout from the rooftops  
5 that they've been victims of rape?

6 A. [12:55:30] In Timbuktu, I never saw a woman cry out that she had been raped.  
7 In Timbuktu, women are respected. Women are respected because -- also in the  
8 family, it's rare to see a person from Timbuktu to cry out that she had been raped.  
9 That's something that you don't see. You wouldn't see it. It's very difficult to see  
10 that.

11 Q. [12:55:58] So what you're saying is that in your *grin* you couldn't have  
12 conversations of that type about whether a woman had been raped because that  
13 would not be said?

14 A. [12:56:09] What I wanted to say is that in the families as well, the members of  
15 the family, they can release certain secrets, but they can keep things to themselves.  
16 People were always together and they were always in solidarity with each other. If  
17 something happens in my family, when I come to the *grin*, we try and debate it, we  
18 speak about it or there a neighbour who is aware of it. So we give a lot of  
19 information to each other.

20 Q. [12:56:38] Okay. Thank you, Witness.

21 MR LUVENGIKA: [12:56:41](Interpretation) Your Honour, I have no further  
22 questions and that is where my cross-examination finishes.

23 PRESIDING JUDGE MINDUA: [12:56:51](Interpretation) Thank you very much,  
24 *Maître* Nsita, for your question and thank you also for your concision or brevity.  
25 We still have 25 minutes approximately. I turn to the Defence to see if there are

1 additional questions.

2 Ms Taylor.

3 MS TAYLOR: [12:57:14] Thank you very much, Mr President. I do have some  
 4 questions arising from cross-examination. I believe this was in open session, so I'll  
 5 try to stay in open session --

6 PRESIDING JUDGE MINDUA: [12:57:25] Very well.

7 MS TAYLOR: [12:57:25] -- while warning the witness that we are in open session.

8 QUESTIONED BY MS TAYLOR:

9 Q. [12:57:33] Now, Mr Witness, at page 36 today, you were asked by the  
 10 Prosecution if it was thanks to MSF that everything was free of charge at the hospital.  
 11 Do you recall that?

12 A. [12:57:47] Yes, I remember that very well. But just -- it was also in complicity  
 13 with the Islamists, because the Islamists were there to ensure security as well. If  
 14 there wasn't security, then these medicines would have never been there and there  
 15 wouldn't have been MSF officials in Timbuktu, no.

16 Q. [12:58:17] Thank you for that clarification. Now, Mr Witness, at paragraph 21  
 17 of your statement you refer to the fact that there was no corruption when the Islamists  
 18 was there as concerns distribution of aid. You also mentioned the fact that it was not  
 19 necessary to pay the --

20 MR DUTERTRE: [12:58:31](Interpretation) Your Honour, your Honours?

21 PRESIDING JUDGE MINDUA: [12:58:35](Interpretation) Prosecutor.

22 MR DUTERTRE: [12:58:39](Interpretation) This question that Ms Taylor  
 23 doesn't -- isn't for the cross-examination. She can address whatever she wants to in  
 24 her examination-in-chief. So I don't think that now she can go into this point which  
 25 wasn't addressed in cross-examination which is in the written statement.

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 PRESIDING JUDGE MINDUA: [12:59:03](Interpretation) Ms Taylor, I think that the  
2 Prosecutor is right because in the cross-examination, they didn't speak about  
3 corruption. So that's a new subject and you cannot -- you do not have the right to  
4 evoke it now, so please drop it.

5 MS TAYLOR: [12:59:23] If I may be heard, Mr President. I actually hadn't put my  
6 question. I was interrupted mid question, mid question, so I didn't actually have an  
7 opportunity to formulate a question to which an objection could be made. My  
8 question was directed again to what he said in cross-examination, where he was  
9 saying it was thanks to the MSF that things were free. And my question following  
10 on from that answer that he gave in cross-examination is whether the Islamists played  
11 a role in ensuring free services through efforts made to eliminate corruption. That  
12 does, I believe, stem from the question and answer put in cross-examination. And I  
13 do believe we should be entitled to put questions on information that comes out in  
14 cross-examination, if the Chamber is going to draw any inferences from this. So  
15 either we have an opportunity to present our defence or we don't. And I  
16 respectfully submit that we do have this opportunity in the rules and the statute and  
17 that is what we are merely doing today.

18 PRESIDING JUDGE MINDUA: [13:00:42](Interpretation) Ms Taylor, the field or  
19 scope for additional questions is directed by the rules. It's limited to questions  
20 raised during the cross-examination. It's true, that the witness said, following the  
21 question of the Prosecutor, that MSF gave medicine, they had paid the officials or civil  
22 servants, et cetera. But there was no speak about corruption. So you can put your  
23 question, but don't speak about corruption. Don't speak about its -- it's outside of  
24 this question.  
25 Prosecutor, I see you standing.

WITNESS: MLI-D28-P-0093

1 MR DUTERTRE: [13:01:28](Interpretation) Yes, just to add one point, your Honour,  
2 which is that Ms Taylor cannot suggest or put to the witness the answer by reading  
3 the paragraph of the statement while it's also not something that comes from the  
4 cross-examination.

5 PRESIDING JUDGE MINDUA: [13:01:44](Interpretation) Very well, Ms Taylor.

6 MS TAYLOR: [13:01:48] Thank you --

7 PRESIDING JUDGE MINDUA: [13:01:50](Interpretation) Please reformulate your  
8 question and then we will move on.

9 MS TAYLOR: [13:01:57] Thank you very much, Mr President. I do believe we can  
10 do this quickly.

11 Q. [13:01:58] Now, Mr Witness, you've just referred to the additional contribution  
12 of the Islamists in the field of security. Were there other contributions made by the  
13 Islamists to the functioning of the hospital and the provision of services?

14 PRESIDING JUDGE MINDUA: [13:02:20](Interpretation) Prosecutor?

15 MR DUTERTRE: [13:02:21](Interpretation) This is a new subject which Ms Taylor is  
16 addressing now. She had an examination-in-chief. She made choices not to speak  
17 about it. She cannot use re-examination - excuse the Anglicism - for -- to put  
18 questions she didn't put in examination-in-chief with a way of questioning which is  
19 potentially leading, which she would not have been able to use in  
20 examination-in-chief in the first place.

21 PRESIDING JUDGE MINDUA: [13:02:53](Interpretation) Ms Taylor, I agree with the  
22 Prosecutor, because when you asked were there other contributions from -- no, that is  
23 outside of it there. So please reformulate or move on to something else.

24 MS TAYLOR: [13:03:04] Thank you, Mr President.

25 And thank you, Mr Prosecutor.

Trial Hearing

(Open Session)

ICC-01/12-01/18

WITNESS: MLI-D28-P-0093

1 Q. [13:03:07] Now, going back to your answer, Mr Witness, the answer you gave in  
2 cross-examination, where you said it was thanks to the MSF that there were services  
3 that were provided for free at the hospital, my question is, was it also thanks to the  
4 Islamists or not?

5 A. [13:03:32](No interpretation)

6 MR DUTERTRE: [13:03:32](Interpretation) Your Honour, it might obstructive but it  
7 has already been answered. Ms Taylor continues in the same line, despite the debate  
8 we've just had.

9 MS TAYLOR: [13:03:49] Mr President, I have reformulated my question and I  
10 received constant objections on different grounds. The first objection was that it was  
11 in examination. Then it was not in examination but a new subject. I have now  
12 asked a question which follows up directly from the question that was put in  
13 cross-examination. It's not leading. He has two open opportunities to say yes or  
14 not. He keeps trying to answer and each time he is not being given an opportunity  
15 to answer.

16 It is my last question, and I would hope that the Chamber is interested in hearing the  
17 response. I see the judges shaking heads which is concerning.

18 PRESIDING JUDGE MINDUA: [13:04:35](Interpretation) Please go ahead,  
19 Ms Taylor. What did you say?

20 MS TAYLOR: [13:04:39] I'm sorry, I saw the judges shaking their head contrary, but  
21 I would hope that I am allowed to elicit information that might assist the judges to  
22 inform their assessment of the charges, and I do believe this question would. So the  
23 witness is on the stand, he seems willing to answer. The question is, can I put this  
24 question to him or not?

25 PRESIDING JUDGE MINDUA: [13:05:07](Interpretation) The Prosecutor's standing.

1 Prosecutor.

2 MR DUTERTRE: [13:05:09](Interpretation) Yes, your Honour. The answer was  
3 given in the French transcript, page 73, line 9 to 17.

4 PRESIDING JUDGE MINDUA: [13:05:17](Interpretation) What is his answer,  
5 Prosecutor?

6 MR DUTERTRE: [13:05:19](Interpretation) So the question was --

7 "Mr Witness, the Prosecution asked you if it was thanks to MSF that everything was  
8 free at the hospital. Do you remember this?

9 "Yes, I remember it very well. It was also in complicity with the Islamists also  
10 because" - well, that's the -- the transcript isn't very clear - "there's also issues of  
11 security. So it was there -- there were people with weapons to ensure security."

12 PRESIDING JUDGE MINDUA: [13:05:42](Interpretation) Ms Taylor --

13 MS TAYLOR: [13:05:44] Thank you. So as you can see --

14 PRESIDING JUDGE MINDUA: [13:05:49](Interpretation) We have the answer,  
15 Ms Taylor. So it has already been asked and answered.

16 MS TAYLOR: [13:05:53] Thank you very much, Mr President. As you can see from  
17 the transcript, I didn't actually put the question because the witness responded  
18 himself to refer to the issue of security before I put the question. I asked him if he  
19 remembered the Prosecutor's question. He said yes. He had a spontaneous  
20 reference to security. From that point onwards, I have not been allowed to put  
21 a single question to this witness. So I actually have not put a single question in  
22 re-examination yet.

23 PRESIDING JUDGE MINDUA: [13:06:25](Interpretation) Well, we already have the  
24 answers to the questions that you want to put. That's the reason why. So it's good,  
25 it's finished.

2 questions to this witness on that subject?

3 PRESIDING JUDGE MINDUA: [13:06:44](Interpretation) On the question which is  
4 on the transcript and for which we have already the answer to, the witness has  
5 already answered it.

6 MS TAYLOR: [13:06:52] Thank you, Mr President. We didn't have any further

9 Thank you.

10 PRESIDING JUDGE MINDUA: [13:07:08](Interpretation) Thank you very much,
