PUBLICATION OF THE REGULATIONS OF THE SPECIAL FUND FOR RELOCATION

The Special Fund for Relocations was established to assist States which are willing, but do not have the capacity to enter into relocation agreements with the Court.

An Advisory Committee was established to assist the Registrar in managing the Special Fund for Relocations. Its terms of reference were adopted on 21 January 2011 and are annexed to the Information Circular ICC/INF/2013/006.

The Registrar now publishes the Regulations of the Special Fund for Relocation by appending them to the present Information Circular.
