I. Transmission

1. Pursuant to Pre-Trial Chamber III's "Decision on the 'Registry's Request for Extension of Notice Period and Submissions on the Article 15(3) Process'" issued on 28 June 2019,¹ the Registry hereby transmits 85 representation forms received from victims and victims' representatives in the Situation in the People's Republic of Bangladesh/Republic of the Union of Myanmar ("Situation"),² together with its assessment of these representations.³ In addition, the Registry is transmitting to the Chamber, via a TRIM container, 16 videos submitted in support of some representations.⁴

¹ Pre-Trial Chamber III, "Decision on the 'Registry's Request for Extension of Notice Period and Submissions on the Article 15(3) Process'", 28 June 2019, ICC-01/19-6, para. 15, where the Chamber indicated that "[t]hose representations which cannot be integrated in the Final Consolidated Report due to time constraints should simply be transmitted to the Chamber with a brief assessment."

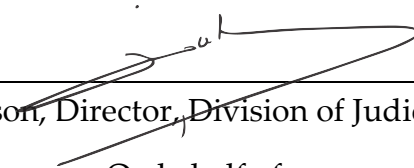

² The Registry notes that eight more representations were received after the 28 October 2019 deadline. Out of them, two representations submitted in English are part of the current transmission: r/00335/19 and r/00338/19.

³ Annex I.

⁴ The Registry notes that because of their size, the videos could be transmitted to the Chamber only through a TRIM container. The Registry also notes that some of these videos are linked to representations previously filed. Each video therefore bears the reference number of the victim representation that it pertains to.

II. Classification

2. Pursuant to regulation 23*bis*(1) of the Regulations of the Court, the annexes to the present document are classified as “confidential *ex parte*, only available to the Registry” because they contain confidential information that may lead to the identification of potential victims concerned by the Situation.
