and

- (ii) the Board has formally notified the Court of its conclusion to undertake specified activities under (i) and the relevant Chamber of the Court has responded and has not, within a period of 45 days of receiving such notification, informed the Board in writing that a specific activity or project, pursuant to rule 98, sub-rule 5 of the Rules of Procedure and Evidence, would pre-determine any issue to be determined by the Court, including the determination of jurisdiction pursuant to article 19, admissibility pursuant to articles 17 and 18, or violate the presumption of innocence pursuant to article 66, or be prejudicial to or inconsistent with the rights of the accused and a fair and impartial trial.

- (iii) Should there be no response from the Chamber or should additional time be needed by the Chamber, consultations may be held with the Board to agree on an extension. In the absence of such an agreement, the extension shall be 30 days from the expiry of the period specified in sub-paragraph (a) (ii). After the expiry of the relevant time period, and unless the Chamber has given an indication to the contrary based on the criteria in sub-paragraph (a)(ii), the Board may proceed with the specified activities.

55. Subject to the order of the Court, the Trust Fund shall take into account the following factors in determining the nature and/or size of awards, inter alia: the nature of the crimes, the particular injuries to the victims and the nature of the evidence to support such injuries, as well as the size and location of the beneficiary group.

56. The Board of Directors shall determine whether to complement the resources collected through awards for reparations with “other resources of the Trust Fund” and shall advise the Court accordingly. Without prejudice to its activities under paragraph 50, subparagraph (a), the Board of Directors shall make all reasonable endeavours to manage the Fund taking into consideration the need to provide adequate resources to complement payments for awards under rule 98, sub-rules 3 and 4 of the Rules of Procedure and Evidence and taking particular account of ongoing legal proceedings that may give rise to such awards.

Where the names and/or locations of the victims are not known, or where the number of victims is such that it is impossible or impracticable for the Secretariat to determine these with precision, the Secretariat shall set out all relevant demographic/statistical data about the group of victims, as defined in the order of the Court, and shall list options for determining any missing details for approval by the Board of Directors.

61. Such options may include:

- (a) The use of demographic data to determine the members of the beneficiary group; and/or:

The Board of Directors may put in place reasonable deadlines for the receipt of communications, taking into account the situation and location of victims.

68. The Secretariat shall put in place procedures to verify that awards were received by beneficiaries, following the implementation of a disbursement programme. Beneficiaries shall be required to acknowledge receipt of the award in writing or by other means of identification, and these acknowledgments shall be stored by the Secretariat. Additional spot checks and monitoring of the receipt of awards should be implemented to avoid unforeseen difficulties or the potential for fraud or corruption.

CHAPTER IV
COLLECTIVE AWARDS TO VICTIMS PURSUANT TO RULE 98(3)

69. Where the Court orders that an award for reparations against a convicted person be made through the Trust Fund where the number of the victims and the scope, forms and modalities of reparations makes a collective award more appropriate, in accordance with rule 98, sub-rule 3, of the Rules of Procedure and Evidence, the draft implementation plan shall set out the precise nature of the collective award(s), where not already specified by the Court, as well as the methods for its/their implementation. Determinations made in this regard should be approved by the Court.

74. The Secretariat shall oversee the work of the concerned organization(s) in fulfilling the Court's orders, subject to the overall oversight of the Court.

75. The regulations that relate to individual awards to victims pursuant to rule 98, sub-rule 2, and collective awards to victims in accordance with rule 98, sub-rule 3, shall apply mutatis mutandis to the procedures of the Board in implementing rule 98, and sub-rule 4, as appropriate, depending on whether the Court has indicated that the award shall be individual or collective.
