- 5.8 The Contributions shall not cover expenses related to the salaries of the Implementing Authority's personnel involved in the relocation of people at risk and closely related individuals.
- 5.9 The financing of capacity building projects under the terms established in section 5.6 above is limited to expert training activities and projects involving exchange of expertise with the related parties of the concerned Implementing Authority.
- 5.10 The payment of the direct expenses to the relevant service providers/person at risk and closely related individuals, as applicable, can be made either by the Court or the Implementing Authority.
