PRE-TRIAL CHAMBER A (ARTICLE 70) of the International Criminal Court issues this Decision on the filing of all decisions and orders issued by the Chamber by email into the record of the proceedings.

1. The Chamber notes that some of its decisions and orders have been issued by email in the interest of the expeditiousness of the proceedings on minor procedural issues or when circumstances so warranted. These decisions and orders have generally been recorded through footnotes contained in decisions that have been filed in the record of the proceedings.

2. However, in order to have a complete record of the proceedings and for the purposes of publicity of the proceedings, the Chamber finds it appropriate to file all decisions and orders issued to date by email, as listed in Annex A, into the case record.

FOR THESE REASONS, THE CHAMBER HEREBY

DECIDES to file all decisions and orders issued to date by email, as listed in Annex A to this decision, into the record of the proceedings.

Done in both English and French, the English version being authoritative.

Judge Reine Adélaïde Sophie Alapini-Gansou
