I. Introduction

1. On 19 March 2020, Trial Chamber V ("Chamber") issued its "Order Scheduling First Status Conference" ("Scheduling Order") in which it *inter alia* endorsed the victim application procedure previously adopted by Pre-Trial Chamber II ("PTC").¹ During the pre-trial stage, the latter had instructed the Registry in its "Decision establishing the principles applicable to victims' applications for participation" of 5 March 2019 ("Decision")² to:
 - i. classify victim applicants into three categories: (a) applicants who clearly qualify as victims ("Group A"); (b) applicants who clearly do not qualify as victims ("Group B"); and (c) applicants for whom the Registry could not make a clear determination for any reason ("Group C");³ and
 - ii. prepare "regular reports that list the applications for participation and classify them according to the three groups".⁴

2. The Registry hereby transmits its twelfth assessment report ("Twelfth Registry Assessment Report"), on 161 complete applications ("Applications") to participate in the case of *The Prosecutor v. Alfred Yekatom and Patrice-Edouard Ngaiisona* ("Case") which includes:
 - A brief description of the assessment criteria applied in relation to the 71 applicants who clearly, in the Registry's assessment, qualify as victims falling within the scope of the Case (Group A);

² Pre-Trial Chamber II, "Decision Establishing the Principles Applicable to Victims' Applications for Participation", 5 March 2019, ICC-01/14-01/18-141.

³ *Id.*, para. 41 (i). In paragraph 41 (ii) of the Decision, the PTC ordered the Registry to transmit to the Chamber on a rolling basis and in unredacted form all complete applications and any supporting documentation in its possession. In paragraph 41 (iv) of the Decision the PTC also ordered the Registry to disclose to the Prosecution and the Defence all Group C applications, redacted as needed.

⁴ *Id.*, para. 41(iii).

- A brief description of the assessment criteria applied in relation to the 90 applicants who, in the Registry's assessment, clearly fall outside of the scope of the Case (Group B).
3. The applications falling in Group A and Group B have been listed in annex 1 to the present submission ("Annex 1") and are being transmitted separately to the Chamber, in accordance with paragraph 41(ii) of the Decision. Annex 2 contains a brief description of the assessment criteria applied in relation to Group B applications.

II. Procedural History

4. On 5 March 2019, the PTC issued the Decision, setting out *inter alia* the admission procedure for victims' participation in the Case.⁵
5. On 21 June 2019, the PTC authorised 15 victims to participate at the confirmation hearing in the Case ("First Decision on Victims' Applications").⁶
6. On 13 September 2019, the PTC authorised an additional 1,070 victims to participate in the proceedings ("Second Decision on Victims' Applications").⁷
7. On 11 December 2019, the PTC issued a decision partially confirming the charges against the accused ("Decision on the Confirmation of Charges").⁸
8. On 19 March 2020, the Chamber issued its Scheduling Order, in which it *inter alia*: i) endorsed the victim application procedure set out in the Decision;⁹ and

⁹ Scheduling Order, para. 8 (iv).

- ii) requested the Registry to provide an update and forecast on (additional) applications by victims to participate in the proceedings.¹⁰
9. On 22 May 2020, the Registry provided its Update on Victim Participation.¹¹
10. On 16 July 2020, the Chamber set the start of the trial on 9 February 2021 and the “end of the Prosecution’s presentation of evidence as the deadline for the transmission of victim applications by the Registry” (“16 July 2020 Decision”).¹² The start of the trial was later postponed to 16 February 2021.¹³
11. Between 19 October 2020 and 15 July 2021, the Registry transmitted 40 applications categorised in Group C,¹⁴ 733 applications categorised in Group A¹⁵ and 421 applications in Group B¹⁶ together with reports thereon.¹⁷

Details on the Assessment Criteria and List of Applications Falling within Group A

16. The 71 Applications transmitted under Group A include 39 applications from victims admitted to participate during the pre-trial stage.²¹

17. Applying the criteria set out in paragraph 31 of the Decision, the Registry has assessed each of the 71 applications presently transmitted under Group A as complete. In conducting its assessment in accordance with paragraph 38 of the Decision, the Registry confirms that each of the 71 applicants whose

²¹ The victims admitted at pre-trial stage are: a/65010/19, a/65012/19, a/65013/19, a/65014/19, a/65019/19, a/65022/19, a/65023/19, a/65025/19, a/65039/19, a/65040/10, a/65042/19, a/65047/19, a/65048/19, a/65051/19, a/65054/19, a/65062/19, a/65063/19, a/65074/19, a/65077/19, a/65081/19, a/65086/19, a/65089/19, a/65103/19, a/65104/19, a/65106/19, a/65114/19, a/65116/19, a/65118/19, a/65120/19, a/65465/19, a/65466/19, a/65467/19, a/65468/19, a/65472/19, a/65966/19, a/65970/19, a/65972/19, a/66032/19 and a/66181/19. The Registry has reviewed their applications and concluded that the crimes suffered by these victims remained within the scope of the Case following the Decision on Confirmation of Charges.

applications are being transmitted in Group A have met *prima facie* the following criteria:

- i. His or her identity as a natural person is established;
- ii. He or she has suffered harm;
- iii. The harm suffered is a result of an incident falling within the temporal, geographic and material scope of the Case.²²

Observations in relation to criterion (i)

18. Certain applications²³ falling under Group A contain minor discrepancies, pertaining to *inter alia*: the applicant's date of birth, an inversion of the applicant's first and last name, the applicant's signature date or the spelling of the applicant's name, or other minor inconsistencies in the information provided which appear to be the result of inadvertent errors. In these cases, the Registry took note of the PTC's instruction that "a certain degree of flexibility must be shown"²⁴ and considers that the discrepancies presented in these applications "do not call into question the overall credibility of the information provided by the applicant [...]".²⁵

19. Some applicants have submitted as identification documents cards delivered by non-governmental organisations in the context of assistance programmes ("Entitlement cards").²⁶ In accordance with paragraph 25 of the Decision, the

²³ The applications with minor discrepancies include: a/15100/20, a/15169/20, a/15176/20, a/15186/20, a/20021/21, a/20025/21, a/20031/21, a/20256/21, a/20367/21, a/20368/21, a/20399/21, a/20408/21, a/20420/21, a/20421/21, a/20431/21, a/20438/21, a/20441/21, a/20442/21, a/20453/21, a/65010/19, a/65013/19, a/65014/19, a/65023/19, a/65025/19, a/65042/19, a/65048/19, a/65051/19, a/65063/19, a/65074/19, a/65086/19, a/65103/19, a/65104/19, a/65106/19, a/65114/19, a/65116/19, a/65120/19 and a/65966/19,

²⁴ Decision, para. 34.

²⁵ *Ibid.*

²⁶ The Registry found that in many instances displaced applicants had lost their identification document and had difficulties to access local authorities. However, they often possessed cards delivered by UN agencies, refugee camp management agencies or NGOs in a similar role, which they used in lieu of any other type of identification (see ICC-01/14-01/18-133-AnxI, para. 21; a sample of such documents is available in annex II to the Registry's report, see ICC-01/14-01/18-133-AnxII-Red2, pp. 78-80). The Registry further found that similar such 'entitlement cards' were used outside of the context of internally displaced persons camps/sites for beneficiaries of assistance projects/programmes

Registry sought²⁷ and obtained²⁸ the PTC's approval to consider such documents as sufficiently establishing the identity of applicants in the Case.

20. In addition, three applicants have submitted a *reçu de paiement* to establish their identity in lieu of any other type of identification.²⁹ In accordance with paragraph 25 of the Decision, the Registry sought³⁰ and obtained³¹ the Chamber's approval to consider such document as sufficiently establishing the identity of applicants in the Case.

Observations in relation to criterion (iii)

21. In identifying the crimes falling within the scope of the Case, the Registry looks solely at the alleged acts and - except in the case of alleged persecution - does not make any assessment as to the potential underlying grounds for their commission.³²
22. In accordance with the 23 November 2020 Decision and the 8 September 2021,³³ the Registry categorises within Group A applicants who mention

such as those addressing vulnerable categories of populations. These applications include: a/20031/21 and 20420/21.

²⁷ Respectively, email from Registry to PTC on 28 August 2019 at 11:23 and email from Registry to PTC on 1 August 2019 at 18:33. The Registry noted (i) that both documents contained similar features to the ones considered to be valid by the PTC in the instant Case; and (ii) that many displaced victims had lost their identification documents (*see supra.*, fn. 26).

²⁸ Respectively, email from PTC to Registry on 29 August 2019 at 11:17 and email from PTC to Registry on 2 August 2019 at 15:20.

²⁹ The Registry was informed that the issuance of national identity cards in Central African Republic was problematic and difficult to get to (see ICC-01/14-01/21-25, footnote 26). Moreover, the Registry found that some victims who requested a new national identity card in the recent years were no longer provided with the document entitled "*récépissé de dépôt de demande de carte nationale d'identité*" issued previously and accepted in the 5 March Decision as a valid identity document. In the absence of such documents, applicants have used the "*reçu de paiement*" - an official receipt issued by the company responsible for producing relevant identity cards (Al Madina) - along with a photograph and an authentication by the Police (stamp). In light of substantial delays in issuing the proper identity cards, the "*reçu de paiement*" document is thus used by applicants to facilitate travel and for police checks pending the issuance of their new identity cards. These applications include: a/20085/21, a/20201/21 and a/20256/21.

³⁰ Email from Registry to Chamber of 7 July 2021 at 16:06.

³¹ Email from Chamber to Registry of 15 July 2021 at 08:43.

³² As a result, the Registry assesses within Group A applicants who have suffered harm from at least one of the crimes charged against the accused. The Registry assesses whether relevant victim applicants were "perceived as collectively responsible for, complicit with, or supportive of the Seleka" only in cases where the applicant appears to have suffered from the charged crime of persecution.

³³ Respectively, 23 November 2020 Decision, paras 27-33 and 8 September Decision, paras 17-29.

crimes committed by Anti-Balaka groups in areas neighbouring the borders of Cattin or Boeing and clearly related to the alleged attack in Bangui on 5 December 2013.³⁴ In accordance with the 8 September 2021 Decision, the Registry categories within Group A applicants who mention crimes committed by Anti-Balaka groups along the PK9-Mbaiki axis and clearly related to the Anti-Balaka's advance through and takeover of villages along the PK9-Mbaiki axis, notably within a short distance of the villages of Sekia, Ndangala, Bimon, Kapou, Bossongo, Pissa and Mbaiki.³⁵

23. Lastly, the Registry notes that certain applications appear to provide an erroneous date (year) of the alleged events (5 December 2014 instead of 5 December 2013, or arrival of Anti-Balaka forces in Mbaiki on 4 February 2013 instead of 4 February 2014)³⁶ or do not explicitly state specific dates. However, they refer to publicly known events (such as for example the resignation of former President of the Central African Republic Michel Djotodia), or provide any other sufficiently detailed contextual descriptions that date the events.³⁷ In these cases, the Registry applied the Chamber's instruction to assess applications "holistically by assessing their internal coherence and the overall context of the alleged acts".³⁸

³⁴ The Registry noted, at times, slight variations in the spelling of the places of incidents between applications (for instance Cattin, is spelt as "Catin" in application a/65023/19; Kptene is spelt as "Petene" in application a/15157/20; Ramandji is spelt as "Ramadji" in application a/65054/19; Sanga-Bibalé is spelt as "Bibalé" in application a/20427/2; Yeloa is spelt as "Yaloua-Du" in application a/65019/19 and Sara is spelt as "Sarah" in application a/65081/19). The Registry considers these as minor discrepancies due to the various written transcriptions of the same phonetic pronunciation.

³⁵ 8 September Decision, paras 36 and 39.

³⁶ These applications include: a/20408/21, 20421/21 and 65019/19.

³⁷ These applications include: a/20256/21, 65086/19 and 65966/19.

³⁸ Email from the Chamber to the Registry of 30 July 2020 at 17:29. The Registry notes that relevant instructions were provided where applications contained discrepancies with regards to the date. The Registry respectfully submits that the same logic should apply to those instances where an applicant did not provide an exact date but where the applicant's submission clearly relates to the events described in the Decision on Confirmation of Charges. The Registry respectfully submits that such interpretation is consistent with the guidance provided by the Chamber in the 23 November 2020 Decision.

Details on the Assessment Criteria and List of Applications Falling within Group B

24. The 90 Applications transmitted under Group B include 89 applications from victims admitted to participate during the pre-trial stage.³⁹
25. Applying the criteria set out in paragraph 31 of the Decision, the Registry has assessed each of the 90 Applications transmitted under Group B as complete.
26. In conducting its *prima facie* assessment in accordance with paragraph 38 of the Decision, the Registry has concluded that the persons whose applications have been transmitted under Group B clearly do not qualify as victims in the Case because the harm alleged has resulted from events falling outside the geographic and/or temporal parameters of the Case.
27. Pursuant to paragraph 41(vi) of the Decision, the Registry has provided an assessment report for the Chamber in Annex 2 setting out the specific reasons for rejecting the applications, in order to allow the Chamber to take a final decision on such applications.
