1. The Prosecution confirms that it has been consulted *inter partes* concerning the Defence request for an extension of time in which to respond to the pending Prosecution appeal, which will be filed by Friday 17 December at 16:00.¹ The Prosecution does not oppose this request. It takes no position, and defers to the Appeals Chamber, as to the appropriate length of the extension which should be granted.

2. The Prosecution also notes that the Defence has filed its request confidentially.² At such time as a public redacted version of the request is filed, or the Defence request is reclassified as public, the Prosecution requests that this response is also reclassified to 'Public'
