**Subject:** Defence Request for an extension of time (ICC-01/14-01/21-380-Conf)

Dear parties and participants,

The Chamber notes the Defence's request for an extension of time to respond to the Prosecution's fifth, sixth and seventh rule 68(3) requests (ICC-01-14-01/21-380-Conf), which was notified yesterday afternoon (the Defence's Extension Request').

The Chamber also notes that yesterday it filed its 'Decision on the Defence Request for an Extension of Time' (ICC-01/14-01/21-379). Therein the Chamber: (i) rejected the Defence's request for an extension of time for its responses to the rule 68(3) requests until one month before the witness is scheduled to testify; and (ii) granted, *inter alia*, the Defence an extension of time to respond to the third, fourth, fifth, sixth and seventh rule 68(3) requests to 20 July 2022.

In this regard, the Chamber observes that it has already granted the Defence an extension of time for its responses to the aforementioned requests. The Chamber notes that the submissions made by the Defence in the Defence's Extension Request are repetitive of those made in its previous filings and have already been considered and taken into account by the Chamber in its Decision on the Defence Request for an Extension of Time. Accordingly, the Chamber finds the Defence's Extension Request moot and will not consider it further.

In line with the Decision on the Defence Request for an Extension of Time, the Defence is instructed to file its responses to the fifth, sixth and seventh rule 68(3) requests by 20 July 2022.

Kind regards,  
Trial Chamber VI
