Dear Parties,

The Chamber has taken note of the Prosecution's submission of P-0787's Witness Preparation Log and Annex, which was received at 21h49 last night. The Chamber also takes note of the Defence's email submission this morning regarding the Prosecution's submission as well as the Prosecution's response thereto. The Chambers finds that it would pose undue difficulty on the Defence to begin P-0787's testimony today.

The Chamber therefore instructs the Prosecution to commence its questioning of P-0787 on Monday morning (14 November). The Chamber equally instructs the Defence to provide its response to the Prosecution's request to introduce the Witness Preparation Log Annex pursuant to rule 68(3) of the Rules by the end of today (11 November). The Defence may submit its response in email form.

Kind regards,  
Trial Chamber VI
