**Subject:** Suspension of Time Limits during the Winter Recess & Extension of Time Limit for responses to Filings 574 and 577

Dear Parties and participants,

In accordance with article 64(2) of the Statute and regulation 19*bis*(2) of the Regulations of the Court, the Chamber decides that the time limits related to any motion submitted via formal filing or email between Friday, 16 December 2022, at 16:00 and the end of the judicial recess on Monday, 9 January 2023, at 09:00, are suspended.

Time limits related to filings already before the Chamber or specific deadlines established by the Chamber will continue to run. This notwithstanding, the Chamber notes that responses to two recent filings submitted by the Prosecution (ICC-01/14-01/21-574 & ICC-01/14-01/21-577) will fall during the middle of the recess. The Chamber considers it prudent, in light of the winter recess, to extend the time limit for responses to these filings specifically:

- Time limit for responses to ICC-01/14-01/21-574 is extended to no later than 4pm on 13 January 2023;
- Time limit for responses to ICC-01/14-01/21-577 is extended to no later than 4pm on 11 January 2023.

In case any urgent matter arises during the judicial recess, parties may submit them to the Chamber, which will then decide whether the other parties and participants are required to respond within the recess period.

We hope you have a restful holiday period and best wishes for the New Year.

Kind regards,  
Trial Chamber VI
