Subject: Order to Provide Assessment on In-Court Protective Measures for P-2050

Dear colleagues from the Registry,
Dear Counsel,

The Single Judge notes the Prosecution's 'Requête de l'Accusation sollicitant une prorogation des délais fixés dans la décision de la Chambre de première instance V portant "Initial Directions on the Conduct of the Proceedings" aux fins d'octroi de mesures de protection au témoin P-2050 à l'audience' (ICC-01/14-01/18-2001-Conf), which was filed on 24 July 2023.

Furthermore, the Single Judge notes that the Ngaïssona Defence indicated that it defers to the Chamber's discretion (see email from the Ngaïssona Defence, 24 July 2023, at 15:11).

Noting that P-2050 is currently scheduled to testify on the week of 14 August 2023 (see email from the Prosecution, 24 July 2023, at 14:14), the Single Judge instructs the VWU to provide its assessment on in-court protective measures for P-2050 on the record latest by 10 August 2023. Further noting that the request was filed during the judicial recess, the Single Judge instructs that responses by the rest of participants, if any, are to be filed by the same deadline (see email from the Chamber, 18 July 2023, at 16:23).

Kind regards,

TC V
