Subject: Prosecution's Request to replace one item on its cross-examination list for witness CAR-D29-P-6036

[ICC] RESTRICTED

Dear Trial Chamber V,

The Prosecution seeks leave to replace photo board CAR-OTP-00025603, listed under tab 12 of its cross-examination list for witness CAR-D29-P-6036, with an updated photo board, CAR-OTP-00025616.

There is good cause for the late addition of this item. The purpose of the updated photo board is to facilitate the cross-examination of the witness.

There is no prejudice arising from this late replacement as the original photographs appearing on the updated photo board are already within the pool of documents intended for the questioning of this witness. The third photograph is listed under tab 5 of the Defence's examination list for P-6036, while the remaining photographs are available under tabs 3, 6, and 11 of the Prosecution's cross-examination list.

Should the Chamber grants the present request, the Prosecution attaches the updated photo board with the ERN as well as an updated List of cross-examination which includes in yellow the item for which replacement is sought..

Kind regards,
 On behalf of OTP Trial Team
