**Subject:** Order following VWU Request for Guidance

Dear Counsel,  
dear colleagues from the Registry,

The Single Judge takes note of the email from the VWU received *ex parte* on 15 December 2023, at 16:26, seeking the Chamber's guidance. In its request, the VWU informed the Chamber that, within the scope of its activities related to the assessment of dual status witnesses V45-0001 and V45-0002, it 'has recently come across material of potentially evidential nature in the case', notably, information concerning their identities.

The Single Judge notes that the identity of these witnesses is disputed, as contended by the Yekatom Defence in its 'Request for the Exclusion of Fabricated Evidence' (ICC-01/14-01/18-2240). Taking into account the materiality of this issue, the Chamber instructs the VWU to share this information with the parties and participants, on the record, by 8 January 2024.

Kind regards, TC V
