Subject: Redaction orders by the Presiding Judge

Dear Parties and participants,

Just for clarity, to facilitate the Registry's logistical processing of redactions and so that nothing is missed, even if the Presiding Judge notes that something should be redacted, the calling party should still request the redaction.

As an exception, In the present instance, the most recent redaction relating to the name of the witness has been processed so further action from the parties is not required in respect of this redaction.

Kind regards,
Trial Chamber VI
