Subject: RE: 231020 - CAR IIA - SAID - Request for an extension of time

[ICC] RESTRICTED

Dear Parties,

The Chamber has taken note of your request. The Chamber notes that it set the deadline of 27 October 2023 for two matters: (i) redactions in respect of T-026; (ii) proposed lesser redacted versions of transcripts that were notified in June of this year.

In light of justifications provided, the Chamber finds good cause for the deadline to be extended for both of the aforementioned matters and accordingly extends the deadlines to 30 November 2023. The Chamber reiterates that it expects the Parties to work in good faith to reach agreement and avoid seizing the Chamber unless absolutely required.

Kind regards,
Trial Chamber VI

Subject: 231020 - CAR IIA - SAID - Request for an extension of time

Dear Trial Chamber VI,

The Parties respectfully request an extension of time to 30 November 2023, in order to address all responses and comments that have arisen during the *inter partes* consultations. Despite best efforts by the Parties, the current deadline of 27 October 2023 shall not be met, as a result of time lost during the cyber incident that affected the Court and the voluminous work load that remains to be addressed. This additional period will allow the Parties to submit to the Chamber the proposals upon which a consensus cannot be achieved, as was instructed by the Chamber on 13 July 2023.

Best regards,
