[ICC] RESTRICTED

Dear Parties and Participants,
Dear Registry,

The Chamber has taken note of the Defence's request to be allowed to add items to its table of authorities for the Closing Statements after 21 November 2025 (ICC-01/14-01/21-1041).

The Defence submits, *inter alia*, that it is making every effort to send its table of authorities by 21 November 2025, but it is only on Tuesday 25 November 2025 that it will be able to definitely decide on which items it wishes to use.

Whilst the Chamber is not convinced that the Defence can only definitely decide on what items it wishes to use during the Closing Statements after hearing the Prosecution, it will allow the Defence to add discrete, individual items to its table of authorities after 21 November 2025.

Nevertheless, the Defence must circulate a table of authorities which is as complete as possible by Friday 21 November 2025, as originally instructed. If the Defence wishes to add individual items after the conclusion of the hearing on Tuesday 25 November 2025, then the Chamber expects the Defence to be proactive and liaise with the Registry to ensure that the table of authorities is complete, and the ebinder created, updated and disclosed, no later than close of business that day.

Kind regards,
Trial Chamber VI
