Dear colleagues,

With regard to the Registry's request made on behalf of the Commissioner of Disciplinary Organs for counsel, the Chamber notes that the requested document (filing no. 322) is cited in Pre-Trial Chamber I's relevant decision (filing no. 446), and further recalls that the Commissioner is obliged to 'keep all information concerning the disciplinary procedure confidential' (Article 39(3) of the Code of Professional Conduct for counsel). The Chamber therefore grants the request and orders the Registry to grant the Secretariat of Disciplinary Organs for counsel access to filing no. 322, who shall then transmit it to the Commissioner.

Thank you and kind regards,

Trial Chamber III
