Dear Colleagues,

The Chamber hereby grants the request from the Public Affairs Unit and authorises it to take pictures at the opening of the First Status Conference, scheduled on Wednesday 27 May 2026 at 9:30.

In light of the current security guidelines, permission is granted only for publishing photographs of the Judges, lead Counsels of the parties and participants and the suspect.

Thank you and kind regards,

Dear Trial Chamber III colleagues,

The Public Affairs Unit hereby requests the authorisation of Trial Chamber to take pictures at the First Status Conference in the Duterte case, on 27 May at 9h30.

This permission would cover the presence of 1 internal ICC photographer and 1 external photographer in the Courtroom (the latter only if the accused is present in the Courtroom).

Note that the photographers will use the standard procedure, which is that the photographers will be in the Courtroom before the hearing starts, while the judges enter, and during the first minute and a half of the hearing, and there would be no need to announce the presence of the photographers inside the Courtroom.

We will also follow the [REDACTED] guidelines to only publish photographs of the judges, lead Counsels of the parties and participants and the suspect – [REDACTED]

If the permission is granted, CMS and security will be duly alerted.

Thank you very much in advance.

Kind regards,

Oriane
