Dear Trial Chamber,

We write with reference to the Prosecution's Observations regarding the Directions on the Conduct of Proceedings (ICC-01/21-01/25-456), in particular its proposed timetable for Rule 68(2) and (3) applications.

In light of the Chamber's preference for oral submissions (ICC-01/21-01/25-009-Conf, p45, lines 4-8) and given the absence of agreement between the parties on this issue, the Defence assumes that it will be permitted to address it during the Status Conference of 23 June 2026, but remains available to file earlier written submissions should this be considered of assistance to the Trial Chamber.

Yours Sincerely,

Peter Haynes
