Subject: Cancellation of Status Conference Scheduled for 14 July 2026

Dear counsel,
Dear colleagues,

The Chamber takes note of the email submissions received today, 8 July 2026, from the Prosecution, Defence, CLRVs and the Registry, with each stating that they did not wish to add agenda items for the status conference scheduled for next week on 14 July 2026.

In light of the aforementioned submissions, the Chamber hereby cancels next week's status conference. The Chamber reminds the parties, participants, and the Registry that the next status conference in this case is set for 16 September 2026.

Kind Regards,
Trial Chamber III
