DC Order 0059

To	All DC staff	From	Anders Backman, CCO
Valid from	6-Feb-09	Until	-
Date	5-Feb-09		
Subject	Non-privileged telephone contacts		

Please be informed that it was decided by the director of Division of Court Services that from today all requests for new non-privileged telephone numbers will have to be approved by him. This includes contacts added to the list since December 2008. The administrative staff will provide Custody officers with an updated list. No numbers can be added or deleted from this list. No number except the ones on the list will be connected. If a detained person claims that he needs to call a non registered number for emergency reasons and the CO agrees that it might be an emergency, the CCO, DCCO or the duty officer of Detention Section should be contacted for approval before connecting the number.

The detained persons will have to submit a Telephone Number Form for each new person they want to call 15 days in advance, including contacts added since December 2008. When you receive a form you should check the date and forward it to the Principal Officer or put it in his mailbox. On Fridays the CO's shall give the form to administrative staff.
