### III. Forms of Reparations Preferred:

**Message provided to the victim:** The Court is interested in knowing what forms of reparations you consider to be the most convenient for the harm you have suffered. Your views will be conveyed to the Trial Chamber, which will make its determination on the appropriate forms of reparations taking into account the views expressed as well as all circumstances of the case. Please bear in mind that the Court needs to take all circumstances into account and can therefore in no way guarantee that views and interests expressed below will be fulfilled.

3. What does the victim think could be done to redress the harm he/she has suffered as a result of the attack of Bogoro on 24/02/2003?

This image shows a full page of blank, lined paper. It features approximately 20 evenly spaced horizontal black lines across its entire width, providing a template for handwriting practice or general note-taking. The margins are consistent on all sides.
