(The Hon. William Cheptumo, M.P.)

**THAT**, aware that cattle rustling is a major menace and security threat in the South and North Rift regions and other regions in the country; noting that cattle rustling leaves behind destruction of property and loss of lives; deeply concerned that the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to the emergency of Internally displaced persons (IDPS), disruption of educational programmes and other economic activities owing to the destruction and/or closure of educational, health and other institutions; deeply concerned that the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution; this House **urges** that the National Government declares cattle rustling as a national disaster and establishes a Special Fund to be used in mitigating the losses suffered by and in compensating all victims of cattle rustling and resettle all Internally displaced persons across the country created by the menace.
