

ANNEXE I
[expurgée]

UNDU

Scheveningen

16 December 2013

Dear Mr Peralta, **ESTEBAN, AZIZ**

Composition and Remuneration of the Bemba Defence Team from 1 January 2014

From 1 January 2014, the composition of my legal team shall be as described on the attached table.

I would therefore be obliged if you could through your good offices take all necessary steps and measures to ensure their assignment (where necessary) in a timely manner.

Their remuneration shall be in the amounts set out and will continue to be effected in accordance with the system in place for the Bemba Defence Team since the start of the trial.

I anticipate that you will issue confirmations of the form of agreement between each of the team members and myself, and further explaining the Registry's role in their assignment/employment.

I would hope that all team members will have effective access to all ICC premises and systems on or shortly after 1 January.

Many Thanks for your continued help and support.

Yours Faithfully

Jean Pierre Bemba
