Dear Trial Chamber VIII,

The VPRS is in the process of filing the public redacted versions of the expert reports of Mmes. Bennoune and Lostal following the Chamber's directions in its decision of yesterday (ICC-01/12-01/15-234-Conf). Regarding Me. Lostal's report, it transpires that this requires a mere reclassification from 'confidential redacted' to 'public redacted' while no changes have to be applied to the document itself. The VPRS therefore hereby respectfully requests the Chamber to reclassify Me. Lostal's report (ICC-01/12-01/15-214-Conf-AnxII-Red) to 'public redacted'.

Kind regards,
 Philipp Ambach

Dear Trial Chamber VIII,

It transpires that also Me. Bennoune's expert report is too large in MB size to send through via email. I therefore kindly request your indulgence until this and the third report come through as a court filing.

Kind regards,
Philipp Ambach

Subject: RE: Request to TC VIII for modification of filing of 4 August in Al Mahdi (Reparations)

Dear Trial Chamber VIII,

Further to the VPRS email request of 3 August below, please find attached a courtesy copy of the Registry's submission containing in annex the three reports of the Appointed Experts. One is being submitted in public redacted version following the Chamber's 11 July Order. The other two are submitted in redacted albeit confidential version in view of the 'Registry submission in relation to the Chamber's Order on Publicity of Case Record' filed this afternoon

Please note that the present email merely contains courtesy copies of the cover filing and one of the two confidential reports (Ms. Lostal) due to the size (MB) of the reports. Ms. Bennoune's report will follow via separate email. Finally, the public redacted report of [REDACTED] cannot be sent as an email due to its size; it will be in your inbox as a CMS filing later tonight, providing remaining technical issues regarding the upload of the filing (again due to its size) can be solved in time, otherwise on Monday morning.

Respectfully,
Philipp Ambach
Chief, VPRS

Subject: Request to TC VIII for modification of filing of 4 August in Al Mahdi (Reparations)

Dear Trial Chamber VIII,

Reference is made to the Chamber's Order on Publicity of Case Record and more specifically the Chamber's order that the Appointed Experts file public redacted versions of their reports, in consultation with the Registry, by 4 August 2017 (ICC-01/12-01/15-228 of 11 July). Importantly, the Chamber also held that since the experts have now completed their mandate, it is at their discretion to decide whether they wish to have their identity made public.

[REDACTED] the VPRS respectfully requests that its filing of 4 August will contain:

- One public annex with the common report of the experts [REDACTED] in its public redacted version [REDACTED] and [REDACTED]

- Two confidential annexes with the current versions of the redacted reports of the experts Bennoune and Lostal (i.e. with the redactions accepted by these experts to date).

The VPRS will bring the aforesaid remaining contentious points on redactions to the Chamber's attention as soon as possible in order to file public redacted versions of the two remaining experts' reports in the most timely fashion, mindful of the nearing date of issuance of the reparations order.

It is therefore respectfully requested that the Chamber kindly consider the aforementioned way forward.

Respectfully,

Philipp Ambach
Chief, VPRS
