Dear Judges,

On 2 November 2018, the Trust Fund submitted its updated implementation plan (ICC-01/12-01/15-291-Conf). The VPRS, copied to this email, has identified information that should not appear in confidential filings as per their standard policy. Pending review of the filing, the Trust Fund has requested temporary suspension of access to the filing.

The Trust Fund believes that the information at stake usefully informs the Chamber and therefore requests that ICC-01/12-01/15-291-Conf-Exp be reclassified as confidential, *ex parte* available to the Chamber only.

Should the request be granted, a confidential redacted version will be filed forthwith.

Kind regards,

The Trust Fund legal team
