Dear Colleagues,

On 20 April 2018, the Trust Fund for Victims filed its Draft Implementation Plan for Reparations (corrected version filed on 1 May 2018, ICC-01/12-01/15-265-Conf-Corr). The Chamber notes that the proposed screening process heavily relies on VPRS' involvement and therefore considers it appropriate to seek the VPRS' observations thereon. Furthermore, the TFV is seeking guidance on the organisation of legal representation in the screening process, including the process by which a victim would select (or have appointed) a legal representative and at which point of the process (para. 157). The Chamber also finds it appropriate to seek VPRS' observations on this issue.

Accordingly, the Chamber directs the VPRS to submit its observations on the Draft Implementation Plan, in particular on the two above mentioned issues, by **18 May 2018**.

Kind regards,

[REDACTED] on behalf of Trial Chamber VIII.
