 Subject: Inadvertent disclosure

Dear Trial Chamber X,

The Prosecution has recently discovered that the name of interpreter [REDACTED] and the location where [REDACTED] family resides were inadvertently left unredacted in document [REDACTED] (at pages [REDACTED]) that was disclosed to the Defence on [REDACTED] in [REDACTED].

The Prosecution seeks the Chamber's authorisation to re-disclose [REDACTED] to the Defence after applying the proper redaction to the interpreter's name and the location of [REDACTED] family that were inadvertently disclosed, and to instruct CMS to remove from eCourt this document that contains the inadvertent disclosure and replace it with the newly disclosed document with the proper redaction.

Consistent with the Protocol on the handling of confidential information (ICC-01/12-01/18-40-Anx), the Prosecution informed the Defence about this inadvertent disclosure to ensure that the item containing the inadvertent disclosure is not distributed within the team or to the accused and that any digital or printed copies of this document are destroyed.

The Prosecution will also inform VWS to ensure that the inadvertent disclosure concerning [REDACTED] family does not affect their security.

Respectfully yours,

[REDACTED]  
 (on behalf of Gilles Dutertre)
