

Annex to Corrected version of Annex to Decision on the Registry's assessment reports and victim applications for participation, legal representation, leave to appeal and amicus curiae requests

Corrigendum to ICC-02/05-01/20-398-Anx-Corr

1. On 20 May 2021, Pre-Trial Chamber II filed the `Decision on victim applications for participation, legal representation, leave to appeal and *amicus curiae* requests` (ICC-02/05-01/20-398), with a public annex (ICC-02/05-01/20-398-Anx).
2. The Pre-Trial Chamber II hereby corrects a typographical error in the abovementioned annex:

At number 73, application a/25099/21 (which was duplicated) was replaced by a/25100/21.
3. Since the error was typographical, this corrigendum does not alter the substance of the decision or the number/identity of the victims who are authorised to participate in the confirmation proceedings.
