Dear colleagues from the Registry,

The Presiding Judge recalls the Initial Directions on the Conduct of the Proceedings, ICC-01/14-01/18-631, paras 74-79, in which he ordered the Registry to publish the Chamber's email decisions in quarterly reports (the 'Registry Reports').

In order to fully reflect all email decisions on the case record, the Registry is instructed to additionally file confidential versions of the Registry Reports. These confidential versions should be filed simultaneously with the public version. The next Registry Report is notably due on 15 June 2021.

The Registry is further instructed to file confidential versions of the already filed Registry Reports by the same deadline.

Notwithstanding the above, the Presiding Judge reminds the participants to always frame their emails in a way that makes their full publication possible.

Kind regards, TC V
