**Subject:** Request to access annexes B and C of LRV submissions of 29 April 2020 (#360).

Dear Judges,

On 29 April 2020, the legal representative of victims ("LRV") submitted a *Demande de réexamen par la Chambre de la Décision du Fonds relative à l'éligibilité des victimes aux mesures de réparations* (ICC-01/12-01/15-360-Conf), with one confidential annex and two confidential *ex parte* annexes. The Trust Fund's response is due on 15 May, as per para. 47 of the Decision of 12 July 2018 (ICC-01/12-01/15-273-Conf)

Having reviewed the LRV's observations in the main filing, the Trust Fund seeks access to Annexes B and C, currently classified *ex parte* accessible to the Trial Chamber only. Footnote 45 of the main filing reveals that Annex B appears to be a "statement" from figure of authority identified by the LRV. It is not possible for the Trust Fund to determine from the filing and from annex A available to it what annex C could be.

The Trust Fund notes additionally that paragraph 15 on the classification of the main filing justifies the confidential classification but does not provide justification as to the *ex parte* classification of Annex B and C.

Without having knowledge of the content of these annexes, and without prejudice to the Trust Fund's position as to the submission of documents in support of applications after the issuance of a negative administrative decision, the Trust Fund respectfully submits that any such information must be disclosed to it to enable the preparation of its response.

Kind regards,

[REDACTED] n behalf of the Trust Fund.
