Attachments: RE: D30 Ngaïssona Defence List of Material - Witness P-2232

Dear Counsel,

The Single Judge takes note of the Ngaïssona Defence's request to add 11 items to its list of materials for the examination of P-2232 (see email attached).

With regard to items CAR-OTP-2098-0293, CAR-D30-0001-0036, CAR-OTP-2004-1530, CAR-OTP-2124-1025, CAR-OTP-2124-0509, CAR-OTP-2094-0387, CAR-OTP-2080-0852, and ICC-01/14-01/18-T-056-ENG, noting the circumstances at hand, the explanation provided by the Ngaïssona Defence and the lack of objections by the other participants, the Single Judge grants the request for the addition of these items to its list of materials for P-2232's examination.

With regard to items CAR-D30-0007-0728 and CAR-D30-0007-0729, the Single Judge observes that although these items were disclosed to the other participants on Friday 12 November 2021, they are not available to the Chamber on E-court. However, having reviewed these items as attached to the Ngaïssona Defence's email request, and noting the explanation provided by the Ngaïssona Defence, the lack of objections by the other participants and the nature and limited volume of these items, the Single Judge grants the request to add the items to the Ngaïssona Defence's list of materials for P-2232's examination. The Single Judge, however, reminds the Ngaïssona Defence to ensure proper access to these items on E-court.

Lastly, with regard to CAR-D30-0008-0030, the Single Judge notes that this item is neither available to the Chamber on E-court nor was it attached to the Ngaïssona Defence's email request. The Single Judge can therefore presently not make a determination in this regard and reminds the Ngaïssona Defence that, pursuant to the Initial Directions (ICC-01/14-01/18-631, para. 40), '[t]he participant intending to use any documents shall ensure that electronic, searchable copies of the documents have been uploaded into e-court prior to their use'.

Kind regards, TCV

Subject: RE: D30 Ngaïssona Defence List of Material - Witness P-2232

Dear Trial Chamber V,
 Dear Parties and Participants,

The Defence for Mr Ngaïssona respectfully requests to be allowed to add 11 documents to its List of Material for the examination of P-2232.

The Defence submits that the addition of these documents is necessary in light of the information provided by the witness during his live testimony. The parties and participants are familiar with nine of these documents, therefore, the Defence submits that no prejudice arises from their addition to the list. Admittedly, two of the documents CAR-D30-0007-0728 and CAR-D30-0007-0729 are being disclosed by the Defence for the first time. Nevertheless, the Defence submits that the information contained in these documents is limited in scope as the documents are one page each; and, the information contained therein is not new to the parties and participants. For this reason the Defence submits that no prejudice arises from their addition.

Should the Chamber accept the present request, the Defence hereby attaches a courtesy copy of the updated list of material. The newly added items appear in red. The Defence also attaches courtesy copies of the newly disclosed documents. Please be informed that E-Court binders will be processed on Monday and a new list with hyperlinks will be sent out as soon as possible

Kind regards,

On behalf of Ngaïssona Defence
