### **Explanatory Note**

Following the detection of a typographical error, a corrected version of filing ICC-01/14-01/18-403-Conf was filed. The Chamber has replaced the mention of article '8(2)(e)(vi)' with the mention of article '7(1)(g)' on page 111. The same change was operated on page 106 of the public redacted version of the same filing (ICC-01/14-01/18-403-Red).
