Dear parties,

Today, the Prosecution filed Request ICC-01/09-01/20-200-Conf (Forth Request for the urgent transfer of part of the record of the case into another case record).

The Chamber notes the submissions made in regard of the urgency of a ruling on this application. Pursuant to Regulation 34 of the Regulations of the Court, the Chamber hereby shortens the response deadline for filing ICC-01/09-01/20-200-Conf to Wednesday, 27 October 2021.

Should the Defence not oppose the request or should it intend to not file a response, this can be communicated via email.

Also, the Chamber notes the Prosecution submissions as to the confidentiality level of the filings subject to transfer (para. 11 ‘...were originally classified as “confidential” ...’).

However, the Chamber notes that the status of some of the annexes of ICC-01/09-01/11-1866-Conf is ‘confidential *ex parte*’.

Could the Prosecution kindly confirm that all annexes of filing ICC-01/09-01/11-1866-Conf can be transferred as ‘confidential’.

Kind regards,
Trial Chamber III
