Subject: RE: Request from ICC Registry [REDACTED]

Importance: High

[REDACTED]

Thank you so much for your patience and sincere apology for the delayed response.

Relevant institutions of the [REDACTED] consider seriously every request of the Court and the Registry and make thorough examination of all the factors in relation to the request at hand. The same consideration has been done in the case of Mr. Mokom and it involved four relevant institutions in [REDACTED]. Upon the evaluation of the overall situation, the conclusion has been brought that, at the current situation, [REDACTED] is not in a position to accommodate such a release.

As expressed before, I hope we can still find ways to further enhance the cooperation between [REDACTED] and the ICC.

Kind regards,
[REDACTED]
