Subject: 230223 - Provision of information in relation to P-1339

Dear Trial Chamber VI,

The Prosecution writes in relation to the Prosecution's eighth request to introduce prior recorded testimony pursuant to rule 68(3) and to include 22 items relating to P-1339 to the List of Evidence, ICC-01/14-01/21-582-Conf, which was filed on 13 January 2013.

On 7 September 2022, the Chamber ordered that the deadline for responses to any rule 68 motion in respect of P-1399 would not run until the Prosecution confirmed by email that all related materials were made available. See Email from Trial Chamber V Communications, 7 September 2022, at 09:35.

The Common Legal Representative has already indicated that she does not intend to submit a response to ICC-01/14-01/21-582-Conf. See Email from Common Legal Representative, 26 January 2023, at 15:41.

The Prosecution hereby informs the Chamber that all trial transcripts and related items are now available to all Parties and Participants, thus triggering the Defence's response deadline.

Best regards,
