Subject: Instruction to provide update regarding three witnesses

Dear Parties and participants,

The Chamber notes that the Prosecution indicated that it was considering making requests pursuant to rule 68 of the Rules to introduce the prior recorded testimony of P-2269, P-0975 and P-2625.

The Chamber further notes that the Prosecution's position in respect of these witnesses remains unclear.

Accordingly, the Chamber orders the Prosecution provide an update, as soon as possible, as to its position in respect of P-2269, P-0975 and P-2625 and whether it still intends to make a rule 68 application in respect of these witnesses.

Kind regards,
Trial Chamber VI
